## Concordia Plus Schedule of Benefits Plan CA 1611

## IMPORTANT INFORMATION ABOUT YOUR PLAN

- This schedule of benefits provides a listing of procedures covered by your plan. For procedures that require a copayment, the amount to be paid is shown in the column titled "Member Pays \$." You pay these copayments to the dental office at the time of service.
- You must select a United Concordia Primary Dental Office (PDO) to receive covered services. Your PDO will perform the below procedures or refer you to a specialty care dentist for further care. Treatment by an Out-of-Network dentist is not covered, except as described in the Certificate of Coverage.
- Only procedures listed on this Schedule of Benefits are Covered Services. For services not listed (not covered), You are responsible for the full fee charged by the dentist. Procedure codes and member Copayments may be updated to meet American Dental Association (ADA) Current Dental Terminology (CDT) in accordance with national standards.
- In-Network Dentists will charge an additional \$125 for the use of precious (high noble) or semi precious (noble) metal.
- For a complete description of your plan, please refer to the Certificate of Coverage and the Schedule of Exclusions and Limitations in addition to this Schedule of Benefits.
