

Guided Pathways Steering Committee Minutes

April 28, 2020

Update on Current GP Projects

(30 minutes)

- CAGP 2020-2023
 - Academic liaison will send out email to faculty interested in participating.
 - Fall institute will be virtual.
- Canyons Connect
 - Experiencing a lot of attendance flags in the system.
 - Huge participation from faculty in assisting with the issues.
 - Fundamental integration via Canvas to keep same platform for the faculty.
- Program Maps/ Program Mapper
 - Mapper was put on hold during the college transition but is now starting back up.
 - Continually working with Hannah Peterson on building the maps.
 - Pierce Community College reached out to announce the launching of their program mapper.
- Equity-Minded Practitioners
 - Alliances continue to meet virtually via Zoom.
 - A representative from the Financial Department is present to help support students.
 - Laptop distribution was led by Jasmine Ruys.
 - Equity Minded Webinar series are in process led by Flavio Medina-Martin and Preeti Saxena.
- Guided Pathways Survey
 - There were 1200 completed between on ground and online. We are in the process of calculating the results and will be available soon.
 - There are approximately 100 students that requires follow up. Jasmine will distribute the inquiries to counseling department.
 - Commencement survey was sent out per Dianne Van Hook's request.
- Pebble Pad
 - This platform is a great alternative that provides great framework. There will be links with Canvas for easier access.
 - Students will have the ability to create e-portfolios within the system.
 - Training will be offered by Professional Development during fall.

Impact of Covid-19 on Pathways Efforts

(20 minutes)

- I have heard from faculty that students are challenged from lack of computer, printer, scanner and internet access. - Kathy Bakhit
- We need to send a message to the students that computers are available from the college. I have been receiving multiple emails from our students looking for hopeful messages from the college. They need all the encouragement we can offer especially at this time. – DVH
- The City of Santa Clarita may feel the push to start the city-wide internet. - DVH

Guided Pathways Steering Committee Minutes

April 28, 2020

- The feeling of connection is really important. – Daylene Meuschke
- Faculty are also experiencing issues in regards to work space, internet access and lack of electronics. – John Milburn

Next Meeting: Tuesday May 26th at 3:00 p.m.
