

Certificate of Specialization: Intermediate Proficiency in French

Prepares students for communicating in French through the four skills: reading, writing, listening, and speaking at the intermediate-high level per the American Council of the Teaching of Foreign Languages (ACTFL) guidelines. This certificate will also provide fundamental cultural knowledge following the 3P's (Products, Practices and Perspectives) cultural framework.

Certificate Student Learning Outcome:

Students will be able to:

- Communicate through reading, writing, speaking and listening in French at the intermediate-high level as indicated by the ACTFL guidelines.

- Identify and describe multiple cultural components of the French language.
