

## PROGRAM OF STUDY

### Graphic & Multimedia Design - Graphic Design Associate in Arts

This program offers an associate degree in Graphic and Multimedia Design with an emphasis in graphic design. The primary goal of this degree is to provide students with a foundation of knowledge and technical abilities required of a graphic design position. Elective courses provide preparedness to specific industry requirements. All courses are sequenced to facilitate transferability to an art or design program at a four-year university. Along with the transferability aspect of this program, the associate degree in Graphic and Multimedia Design with an emphasis in graphic design will also provide students with basic skills and competencies.

**Student Learning Outcome:**

Demonstrate proficiency in the core skills and knowledge required for employment in a graphic design position.
