Course Title: Introduction to Sociology
Course Code: Soci 101
Professor: Arman Mgeryan
Format: Hybrid
Course Length: 5 week

Introduction
My name is Arman Mgeryan. I will be your instructor for this course. I have been teaching for more than 12 years, but I am new to Canvas. This is a wonderful learning opportunity for me and I look forward to learning from you as well.

Course Description
Examines small group interactions and cultural patterns of American and other societies using the conceptual, theoretical, and methodological principles and applications to explain how values, roles, norms, social interaction, and social inequality as well as other concepts influence individuals, groups, and society.

Course Information
There are 5 modules, each one ending with an exam. The exams will be on canvas.

Textbook information

Other relevant course information
Students wanting to add the class will have to be on the waitlist. I’ll add based on room availability. I will add starting the top of the list until the class is full.
Additional Resources

Canvas
To gain access to our class through Canvas, please visit and bookmark the following link: https://coc.instructure.com/login/canvas. Change your password after you login to Canvas for the first time. Here’s how to change password: https://community.canvaslms.com/docs/DOC-2893 (Links to an external site.)

For any Canvas related issues please call the Canvas Student Support line at (661)362-3344 during college business hours, or (877)889-9052 for 24/7 support.

Distance Learning
In case you end up having difficulty logging in, you may contact the IT department at http://www.canyons.edu/Offices/IT/Pages/default.aspx. If your course does not appear on the first day please check the following things before calling technical support: Has the class officially started? Did you pay for the course? Do you have any holds on your account that would deny you access? Has it been more than 24 hours since you have added the class to your My Canyons account? If you are still having problems and none of these are an issue please contact COC tech support at 661-362-3344.

The Learning Center (TLC)
The TLC provides FREE tutoring resource to COC students including:
- Face-to-face & ONLINE tutoring
- Testing Center: offers test proctoring services for courses that have required proctored exams
- Study Jam Review Sessions
- Computers with over 300 software programs
For more information visit the TLC Website.

Disabled Students Program & Services (DSPS)
College of the Canyons DSPS provides educational services and access for eligible students with documented disabilities who intend to pursue coursework at COC. A variety of programs and services are available which afford eligible students with disabilities the opportunity to participate fully in all aspects of the college programs and activities through appropriate and reasonable accommodations. For more information on their services visit http://www.canyons.edu/offices/dsps/Pages/default.aspx

Online Counseling
The Counseling Department offers appointments online. You can schedule an appointment by visiting the http://www.canyons.edu/offices/distancelearning/online/Pages/default.aspx.
Counselors can help you map out a plan to reach your educational goals as well as advise you on course selection and registration.
