Class Description: Examines the influences which have historically and culturally shaped dance throughout the world. Non-performance course. Does not satisfy the Physical Education activity requirement for the associate degree. Schedule Description: Examines the influences which have historically and culturally shaped dance throughout the world. You will study significant trends in Dance primarily by reading, discussing and analyzing ballet, modern, jazz, tap, social, and cultural dance information that is available online and also in our text.

Other Course Materials Required: Class will study significant trends in Dance primarily by reading, discussing and analyzing ballet, modern, jazz, tap, social, and cultural dance information that is available online and also in text. Attendance at one professional live dance concert between the dates of 1/23-2/04 is also required.

Initial instructions for beginning of class: Check in by first week of class in order not to be dropped. Students will complete syllabus test and introductory information.

Course Management System Information: Learning Management System Information: Previously you might have used Blackboard, a learning management system (LMS), to access your course(s). This course utilizes an LMS called Canvas to complete our course requirements including discussions, grades, and other course activities. Please log into Canvas by visiting http://cv.canyons.edu on the first scheduled date of our course. Login information and helpful guides are provided on the website.

Student Learning Outcomes: Student Learning Outcome: Analyze the contributions of important choreographers and choreographies which had a specific influence on the development of ballet, modern, jazz, cultural, musical theatre and tap styles of dance.

Other: Students will need text (Dance Appreciation- Exploring Dance History and Performance) by the end of the first week of class, January 6.
**DSPS Information:** Disabled Students Programs & Services (DSP&S): If you have a documented disability and wish to receive services including special testing conditions, you must register with DSP&S and inform me of your needs at least 1 week prior to the assignment requiring accommodations. For more information, call (661) 362-3341.
