To assess the **HFA (Humanities/Fine Arts) ISLO #2**, I aggregated course level SLO results reported in the 2011-2012 Academic Program Reviews for the Lab/Studio courses that meet the IGETC requirement. Below are the results. For questions about this process, see <http://www.canyons.edu/committees/SLO/Institutional/humanities.asp>. For other questions, please contact me.

Bernardo, if you can submit #'s to me where only percentages were reported, I can include your courses in the aggregation. See asterisks below. If not, we will work without them.

Phylise, I understand you were assessing courses this spring. If you can submit assessment results to me for the courses below before the fall, I can include these numbers and revise the document in preparation for the HFA ISLO Loop Closing FLEX workshop planned for Tuesday August 21.
