

College of the Canyons - Honors General Education Pathway

The Honors Program at College of the Canyons offers an enriched general education curriculum to students with a strong academic record in order to increase their chances for successful transfer to competitive four-year institutions. Through seminar-style classes, special projects, and community activities, the program provides opportunities for critical thinking, extensive writing, and in-depth learning in a wide variety of transferable general education courses.

Note: The following map describes the usual schedule of courses offered per semester. The actual courses offered each semester are subject to change due to staffing, updated school policies, changing transfer requirements, and adjustments to serve student needs. Please consult the course catalog for the latest list of courses offered each semester.
