

MESA SERVICES

MESA has many special services for MESA eligible students at COC.

These services include:

- A designated **student study center** equipped with computers and software such as MatLab, MiniTab, and AutoCad
- **Tutorial Support** from both faculty and peer tutors
- **Academic excellence workshops** - MESA facilitators, in consultation with faculty, lead weekly skill-building workshops in math and chemistry
- **Professional development workshops** - guest speakers and other activities such as financial aid workshops, UC application workshops, lunch with alumni, etc.
- **Leadership, scholarship and research opportunities!**
- **Overnight STEM book check out** (textbooks for Math, Biology, Chemistry, Physics and Engineering)
- **Calculator and laptop loan programs**
- **Locker program**
Lockers are available on a first-come, first-served basis at the start of each semester to “**active users**” of the MESA Student Study Center. Students wishing to use a locker for the duration of the semester must complete and return a Locker Program Request Form.
- **Onsite counseling, academic advisement**
A MESA Counselor is available to work with students to create a Student Educational Plan to help them prepare for success while at COC and to assist them in the transfer process.
- **Priority registration** (*Please refer to the Priority Registration Information handout in this packet for specific requirements*)
