A. Routine Matters

1. Call to order: 3:01 pm
2. Public Comment:
 - a. David made an acknowledgement of the recent shootings in the last few days. Our thoughts are with the families that lost children in Texas.
 - b. Enrollment is down in many classes and this needs to be addressed. This topic may return as a discussion item in the fall.

- c. There was a reminder that we are in a severe drought. The campus is very green and there needs to be a push towards a commitment to sustainability. Jeannie Chari has done more biodiversity work to conserve more water.
 - d. Thank you to Marilyn for all the behind-the-scenes work with all retirees and for all she is doing for the Senate.
3. Approval of the Agenda:
- a. Request to pull item #5 AP 7121 MQE. Several members of CPC, including the Chancellor, stated concerns with option #3 and having a double standard for MQ's for part-time and full-time faculty as this may lead to legal issues. How would this manifest through the AFT contract provisions? The consensus is to deal with this item in the fall.
 - b. Motion to approve the agenda with tabling item #5 by Tamera Rice. 2nd by Jesse Vera. Gary Collis proxy for Gary Quire, "yes", Lauren Rome proxy Aaron Silverman, "yes". Unanimous. Approved.
4. Committee Appointments: none
5. Sub-Committee Summaries:
- a. Senate Executive Committee meeting summary, April 14, 2022 (pg. 8-11)
6. Academic Senate Faculty Award Recipients (pg. 12)
- a. Congratulations to all faculty award recipients. They will all be honored at next week's Collegial Celebration.
7. Approval of the Consent Calendar
- a. Special Curriculum Committee 2:00pm meeting: This meeting was held to pass an *Ethnic Studies* course. The committee made quorum with one member absent. A vote was made, resulting in 13 to 1, to approve the inclusion of this course into the AA degree. This included the GE area requirement in Social & Behavioral Sciences, Diversity, and the Paralegal pattern. The balance of the consent calendar which included the Social Sciences AA degree, the Program maps and it's DLA were also approved.
 - b. There were some significant concerns expressed regarding the passing of the *Ethnic Studies Course* regarding the potential for villainizing and marginalizing students. There was a statement made that the *Ethnic Studies* course is a *Critical Race Theory* course. The statement asserted that the community at large was not solicited as dictated in the COC 2021 Decision Making Guide. The suggestion is to have the Senate look at federal case law and have legal counsel review the curriculum before this course moves any further as there is a possibility of exposing the District to liability. It was stated that the course outline of record was reviewed and aligns well with the ASCCC approach. There is much expertise in the Curriculum Committee and among COC Faculty who wrote this course outline of record. If there is anyone who feels marginalized in this course, they can file a complaint utilizing [AP 3435](#). As a reminder AB 1040, AB 1460 and AB 101 all ask for the formulation of an Ethnic Studies course.
 - c. Motion to adopt the consent calendar by Erica Seubert seconded by Rebecca Shepherd. Gary Collis proxy for Gary Quire, "yes", Lauren Rome proxy Aaron Silverman, "yes". Tamera Rice abstained. Approved.

B. Reports:

These are informational items no discussion or action will be taken. However, clarification questions are welcomed.

1. Civic Engagement Committee Annual Committee Chair Report, Patty Robinson
 - a. The committee now works as an Integrated Civic and Community Engagement (ICC) work group. This has allowed collaboration with other groups on campus, including the community. The committee has been focusing on several areas, including STEM-Global Awareness, BaNC, PLACE Project, Workforce & Project Base Learning and Civic Engagement.
2. Scholarly Presentation Committee, Sarah Etheridge
 - a. Michael Habib will be presenting on flying reptiles associated with dinosaurs. There were issues with booking the PAC as it is already booked for the fall semester. However, the committee settled on Nov. 29th and 30th but hasn't been confirmed. This will be the 1st in-person event in several years and will include interactive and visual components. In SP 23 Katie Coleman and Megan Andrade will also present as they had been cancelled several times.
3. Academic Senate Presidents Report, David Andrus
 - a. June 2nd Collegial Celebration at 3pm: The event will be hosted at the PAC with both outside and inside seating options. The event will also be catered by Stonefire. 70 people have RSVP'd for in-person and 10 will join via zoom.

C. Action Items

1. Academic Senate Constitution Ratification Election Results (pg. 14)

2. Administrator Retreat Rights Discipline Memos for Spring 2022
 - a. There are 5 pending discipline memos that will come through in fall 22. The MQ 's for Educational Administrators looks different on different memos, in terms of years of experience. The state MQ is one-year of experience, but the District will go beyond that depending on the job announcement. It was recommended to outline years of experience in an AP document. For example, 2-3 years for Dean, 4-5 AVP and 5+ for VP. The District has also created its own local equivalency as a pathway for faculty to go into Administration. Dr. Rian Medline and David Andrus discussed developing a process for bringing MQE and Education Administrator approvals forward.

8. Academic Senate Teleconferencing Policy, David Andrus & Gary Collis (pg. 57-59)
 - a. BONH-330 will be outfitted for high FLEX hybrid meeting equipment. The Senate is working with Administration to identify a permanent larger room. If all Covid mandates are lifted, voting members can still teleconference in. If voting senators teleconference in from within the District this will count towards quorum and still need to have their name and address published. In order to eliminate the potential for not making quorum a numerical limit was imposed on the number of people who can attend remotely. The document will be amended to state that it is not appropriate for any remote senator to hold anyone else's proxy if they are teleconferencing in. There was a request to share a map where senators can see if they are within the District area.
