E. Discussion

1. Creation of Committee Level Recognition for Distinguished Service

- A discussion took place to answer the question if there should be committee level of recognition for service coming from a committee as opposed to the Senate.
- Exec. Committee Resolution for Faculty serving on Committees: This could be an Exec. Committee resolution that does not go to the Senate but is instead a resolution endorsed by the Executive Committee. This may be an Executive Committee recognition and call a joint meeting with the committee. The meeting can take place in person and at the BONH 330. The event could include food and an award presented.
- Concerns with awarding Emeriti Status: There are concerns with awarding Emeriti status to all faculty. There should be criteria regarding length of service or significant and substantial contribution to the college.
- Nomination Proposal: Rather than having a hard-defined rubric could nominators instead submit a proposal of why the district should consider a faculty member. It would then be up to nominators to put together a resolution.
- Providing gifts to all committee members for their service: Could there be a middle group for those meeting the criteria and provide a gift for the remaining committee members. There may not be sufficient budget to purchase gifts. However, this may encourage participation in committees. Some of the committee members are ok with honoring someone for long terms service. There are concerns with awarding all member some type of recognition as there are some who join committees but do not participate. Many who serve on Senate sub-committee feel they are very meaningful.
- Process Statement: The suggestion is to have the committee draft of a short process statement as this criterion may be different than the award criteria.
- The Senate Exec committee will meet on **April 8th at 11am**. A draft of the process will be presented on nominating someone serving on a committee so that the committee can vote and approve. This will allow the second half of the semester for faculty to submit a request.
- Recognizing Retired Faculty: Could committee founders who have now retired be nominated? There can be unique situations where the committee may feel strongly and if many within a faculty group wanted to submit a request this could be considered.
- What are the rules for confirming next year's committee members? There is usually a reminder after spring break that is sent out to all committee chairs. The suggestion for all committee chairs is to have them confirm membership with

their committee by end of April and May 1st. The list can then be submitted to Marilyn.
