

## **Proposed Organization White Paper**

### I. Academic Freedom-What it is (Solid statement here-as in “a professional norm which...”)

- A. Acknowledge faculty and student distinction.
- B. Significance of the norm including AAUP 1915, 1940, 1960 comments
- C. Roots of the norm

### II. Academic Freedom-What it's not

- A. Distinction between personal protections & professional protections
- B. Limitations by ASCCC, CA state legislature, 4-year schools, COC board...others? (Tricia)

### III. Conclusion-

- A. Right to academic freedom is worth the risks it entails
- B. Example (?) Can't recall what we wanted here.
