RE: Academic Staffing Committee Recommendations

Dear Dr. Van Hook,

Listed below are the recommendations of the Academic Staffing Committee for new full time faculty and a replacements for Nursing (Amy Shennum) and Recreation Management (Rhonda Hyatt). The committee has also moved the Non-Credit Vocational position from **Strongly Recommended** to **Urgent** after a presentation on the progress of the temporary Non-Credit position already hired. The committee recommends this position to be hired as a permanent one, hence the movement to **Urgent**.

The Academic Staffing Committee used a previously approved voting matrix to rank positions presented during the Fall 2018 semester within need categories (Urgent, Strongly Recommended, and Recommended). Positions are alphabetized within each category. Positions presented in Spring 2018, positions on the list for the past three years have all been integrated within the rankings such as the rankings are for **ALL** positions regardless of when they came before this committee.

In making these recommendations, the committee sought the input from department chairs, deans, and related District offices. We examined the individual proposals merits, as well as how closely the requests aligned with the overall goals and mission of the District. I can forward electronic copies of the one-page documents only on your request.

Recommendations for new positions will “sunset”, and are removed from the recommendation list **AFTER** three years if not moved to the Board of Trustees for Authorization to hire.

Per our committee operation procedures and guidelines, we conduct a call for new faculty positions each Fall semester. Departments with positions placed on the list Fall 2016 were welcome to return to the ASC to make another presentation.

We look forward to further discussion regarding the Academic Staffing Committee’s prioritized recommendations of new faculty positions. Please let us know if you have any questions or concerns.

Thank you

Miriam
