This form is used after labor market information (LMI) is obtained through the Center of Excellence (COE) for Revitalization. Questions also rely on information from Program Review.

The Program Viability Committee is a standing committee of the Academic Senate. It is responsible for the evaluation of proposals to initiate, modify, or discontinue academic programs. The committee makes recommendations to the Academic Senate. Per the AP 4021, program initiation, modification and discontinuance proposals shall be submitted to the Academic Senate President *no later than the eighth week* of the fall semester.
