CANYONS CONNECTS ADVISORY BOARD

List to be confirmed by the Academic Senate on 9/11/25

Description:

Canyons Connects is a software solution that is designed for broad utilization across a wide variety of campus constituencies – students, faculty, staff, and managers. This software solution facilitates early alert and is designed to enhance student retention, completion, and success. Through the integration of communications to students, input from faculty on student progress and referrals, case management, appointment scheduling, and connections between students and services within one streamlined platform Canyons Connects is able to provide holistic student support.

Focus:

The Canyons Connects Advisory Team provides input, recommendations, and communication that aid in the stewardship, prioritization, successful implementation, and wide scale adoption of the Canyons Connects platform. The project aims to improve student retention, persistence, success, and completion through early alert, case management, cohort tracking, and connection to campus services.
