## NEW COURSE PROPOSALS – DISCUSSION OF NEED

The following new course proposals will be discussed at this meeting with the authors of the proposals to determine the need of adding the course to our curriculum.  
The course outlines will not be reviewed at this meeting.

Subject & Number	Title	Rationale for New Course Proposal	Author	Effective
SWHS-111	Social Work Core Competencies 1	The social work program will be a unique program that we are building at College of the Canyons. Other campuses have had social work programs for quite some time, and these classes will assist students in obtaining entry level positions at agencies that serve the needs of the community. These courses are intended for students wanting to complete a social work degree as they progress through their degrees. This course follows the introduction course SWHS110 and starts to present the skills needed for success in the social work field.	A. Marengo	TBD
SWHS-112	Social Work Core Competencies 2		K. Coleman
