NEW COURSE PROPOSALS – DISCUSSION OF NEED

The following new course proposals will be discussed at this meeting with the authors of the proposals to determine the need of adding the course to our curriculum. The course outlines will not be reviewed at this meeting.

Subject & Number	Title	Rationale for New Course Proposal	Author	Effective
MUSIC-164	Mariachi Ensemble	The Mariachi Ensemble offers students the opportunity to explore in depth one of the more prominent styles of music from Mexico. There are mariachi programs in several of the Hart District schools as well as numerous professional ensembles performing throughout our region. CSUN also has a mariachi program which means our students that transfer to CSUN can continue developing their skills. Mariachi ensembles traditionally perform for all kinds of community events such as birthdays, holidays, marriages, quinceañeras as well as serenading in restaurants.	W. Macpherson	TBD
MUSIC-166	North Indian Music Ensemble	The N. Indian Music Ensemble offers students the opportunity to learn an entirely different system of music theory, instrumentation and performance practices beyond traditional western classical music and jazz. There is a large community of people with a cultural connection to N. Indian music in the Santa Clarita Valley that will support a collegiate ensemble of this style of music.	W. Macpherson	TBD
