Student Business Office

We hope your Fall 2026 semester is going smoothly!

The Student Business Office would like to remind students of the following:

Outstanding Balances & Holds
Holds have already been placed on student accounts with outstanding Fall 2026 balances. Please make your payment as soon as possible to avoid delays when registering for future classes.

Students are **not dropped from their courses for non-payment**; however, an outstanding balance may prevent future registration until the balance is paid.

Refund Reminder
If you are expecting a refund but have a current or future balance on your student account, the refund will automatically be applied toward that balance first. Any remaining eligible refund amount will then be issued to you.

As always, the Student Business Office is available to assist you **by phone, email, or in person**. Please visit our SBO website to view our most up-to-date office hours.

We wish you a successful Fall semester! 😊

Financial Aid

Financial Aid Reminders & Updates

If you haven't already, submit your 2026–2027 FAFSA or California Dream Act Application (CADAA) as soon as possible!

After submitting your application, be sure to regularly check your MyCanyons Portal for outstanding financial aid requirements and updates. If additional documents are requested, submit them as soon as possible to help avoid delays in determining your financial aid eligibility.

If your financial aid file is already complete, no further action is needed unless additional information is requested. Continue checking your student email and MyCanyons Portal for important updates regarding your financial aid status and eligibility.

BankMobile Refunds

Financial aid refunds are processed through BankMobile Disbursements. If you are expecting a financial aid refund, make sure you have selected your refund preference with BankMobile.

Check your COC student email for an email from BankMobile or Refund Selection with instructions on how to set up your refund preference. You can choose to have your funds deposited into an existing personal bank account or select another available BankMobile refund option.

Setting up your refund preference ahead of time can help prevent delays once your financial aid funds are released.
