

The Science Talks Series Presents

STAR PARTY

Friday April 28, 2023 • 7:30-10pm

AT THE CANYON COUNTRY CAMPUS

Guest Speaker:

Jennifer Burt, PhD

EPRV Investigation Scientist, JPL

The Sky's the Limit: Expanding Our Understanding of ExoPlanetary Systems From the Ground Up

- Learn how science and technology has enabled the discovery of hundreds of small planets, as we search for the next Earth!
- High-powered telescopes for viewing the skies
- Table displays and demonstrations
- Fun for all ages
- Free and open to the community!
