Campus Hazing Transparency Report

In compliance with the Stop Campus Hazing Act (SCHA) and section 485(f) of the Higher Education Act of 1965, College of the Canyons publishes a report of any student organization that has been found responsible for hazing.

The Campus Hazing Transparency Report provides the name of the organization, a summary of the violation, the dates of the incident and subsequent investigation, and the institution's findings and imposed sanctions. Reports of alleged hazing that do not result in determination of responsibility are not included. The district will update this webpage as case outcomes are finalized.

According to the Hazing Transparency Report, student organizations that are actively under investigation will not appear below.
