Subject Canyons Connects - Checking In - Exam/Paper/Assessment in  
Introduction to Microbiology

Dear Rachel,

This message is being sent to you from Canyons Connects on behalf of your instructor. You may not have earned the grade that you were hoping for on your assessment, so we encourage you to meet with your instructor to help you succeed on the next assessment. Don't be afraid to talk to your instructor.

Rachel missed 3 classes this month.

Remember that [The Learning Center](#) (TLC) is here for you too. A struggle is just an opportunity for growth, and it's common for students to go through challenges like this and overcome them.

Here are some guiding questions to help you:

1. How are your notes?
2. Did you know the college offers [Guided Learning Activities](#) (GLAs) through the TLC?
3. Have you visited your instructor's office hours to discuss the course content?
4. Do you need extra support? Here is a link to the [Student Health and Wellness Center](#).
