Associate in Arts for Transfer Degree: Anthropology

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
    a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
    b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Anthropology. Additional majors are being developed. Please see a counselor or visit http://www.canyons.edu for more information.

Degree Student Learning Outcome:

Students will be able to Analyze and interpret modern humans, and human ancestors, from biological and cultural perspectives.

Program Requirements:

Units required: 20-22

		Units:
ANTHRO-101	Physical Anthropology	3.0
OR		
ANTHRO-101H	Physical Anthropology – Honors	3.0
ANTHRO-103	Cultural Anthropology	3.0
OR		
ANTHRO-103H	Cultural Anthropology – Honors	3.0
ANTHRO-105	Introduction to Archeology	3.0

Plus five to six units from the following:

ANTHRO-101L	Physical Anthropology Laboratory	1.0
MATH-140	Introductory Statistics	4.0
OR		
MATH-140H	Introductory Statistics – Honors	4.0
OR		

MATH-140X	Statistics with Support	5.0
PSYCH-104 OR	Statistics for the Behavioral Sciences	4.0
OR		
SOCI-137	Statistics for the Social Sciences	4.0

Plus three to four units from the following:

BIOSCI-201	Introduction to Human Anatomy	4.0
GEOLOGY-100	Physical Geology	4.0
GEOLOGY-101	Physical Geology with Lab	3.0
GIS-101	Introduction to Geographical Information Systems	3.0
PSYCH-103	Introduction to Behavioral Research Methods	3.0
SOCI-102	Introduction to Sociological Research Methods	3.0

Plus three units from the following:

ANTHRO-120	Queer Anthropology - Cross-Cultural Perspectives	3.0
ANTHRO-210	Indigenous Peoples of California	3.0
ANTHRO-220	Magic, Witchcraft and Religion	3.0
GEOGRPH-102	Human Geography	3.0
PHILOS-220	introduction to Comparative Religion	3.0
SOCI-106	Introduction to Race and Ethnicity	3.0
