

Liberal Arts and Sciences

The Liberal Arts and Sciences major is designed for students planning to transfer to either the California State University or University of California. To earn the Associate in Arts degree with a Liberal Arts and Sciences major, students must complete either the Intersegmental General Education Transfer Curriculum (IGETC) UC or CSU option or the CSU General Education Certification pattern and one of the four areas of emphasis. The areas of emphasis are: Health Science, Humanities, Mathematics and Science or Social and Behavioral Science. The area of emphasis requires a minimum of 18 units with a grade of "C" or better in all courses in the area of emphasis. The courses identified for each area of emphasis fulfill major preparation requirements as demonstrated through ASSIST.org articulation. A minimum of six units must be within a single discipline and in the case of the Mathematics and Science area of emphasis at least one mathematics course must be completed. Select courses based on ASSIST.org data for major preparation articulation with selected transfer institutions. Consult a counselor for specific information regarding the intended major at the college the student is choosing.

Courses used to complete a student's area of emphasis can double count for general education just as they may for any other major.

Although the associate degree recognizes the completion of lower division general education requirements, it does not guarantee admission to a specific campus in the CSU or UC system, nor does it guarantee admission to a specific major. Some majors and schools require a higher GPA than is necessary for the associate degree. Students should meet with a counselor to determine the lower division major preparation needed for their intended transfer school.

To meet requirements for the CSU General Education Breadth associate degree program, students must:

- Complete CSU General Education Breadth for Certification, including the American Institutions and Diversity requirements. Consult with the Counseling Office for the appropriate list of applicable courses.
- Complete CSU Breadth courses in compliance with Executive Order 1100.
- Earn a "C" or "CR" grade or higher in all 18 units of the area of emphasis courses.
- Complete a minimum of 60 degree applicable CSU transferable semester units.
- Earn a cumulative G.P.A. of 2.0 in all college coursework completed.
- Meet College of the Canyons residency requirements for graduation.
- Note: No Physical Education and/or Wellness courses are required.

To meet requirements for the IGETC - CSU associate degree program, students must:

- Complete IGETC - CSU Certification pattern. Consult with the Counseling Office for the appropriate list of applicable courses.
- Meet the American Institutions and Diversity requirements.
- Earn a "C" or "CR" grade or higher in all IGETC courses.
- Complete a minimum of 60 degree applicable CSU transferable semester units.
- Earn a cumulative G.P.A. of 2.0 in all college coursework completed.
- Meet College of the Canyons residency requirements for graduation.
- Note: No Physical Education and/or Wellness courses are required.

To meet requirements for the IGETC - UC associate degree program, students must:

- Complete IGETC - UC Certification pattern.
- Meet the American Institutions and Diversity requirements.
- Earn a "C" or "CR" grade or higher in all IGETC courses.
- Complete a minimum of 60 degree applicable UC transferable semester units.
- Earn a cumulative G.P.A. of 2.0 in all college coursework completed.
- Meet College of the Canyons residency requirements for graduation.
- Note: No Physical Education and/or Wellness courses are required.

“Meet College of the Canyons residency requirements for graduation.

“Note: No Physical Education and/or Wellness courses are required.

Associate in Arts Degree: Liberal Arts and Sciences

Program Requirements:

Health Science Emphasis - Minimum 18 units. Select at least six units from one discipline.

Degree Student Learning Outcome:

Students will be able to analyze biological or psychological concepts and formulate strategies for a health related career

		Units:
BIOSCI-100	General Biology	4.0
OR		
BIOSCI-100H	General Biology – Honors	4.0
BIOSCI-101	Introductory Biology for Health Professions	4.0
BIOSCI-201	Introduction to Human Anatomy	4.0
BIOSCI-202	Introduction to Human Physiology	4.0
BIOSCI-204	Human Anatomy & Physiology I	4.0
BIOSCI-205	Human Anatomy & Physiology II	4.0
BIOSCI-221	Introduction to Microbiology	5.0
CHEM-151	Preparatory General Chemistry	4.0
OR		
CHEM-151H	Preparatory General Chemistry- Honors	4.0
COMS-105	Fundamentals of Public Speaking	3.0
OR		
COMS-105H	Fundamentals in Public Speaking- Honors	3.0
HLHSCI-150	Nutrition	3.0
MATH-140	Introductory Statistics	4.0
OR		
MATH-140H	Introductory Statistics – Honors	4.0
OR		
MATH-140X	Statistics with Support	5.0
PSYCH-101	Introduction to Psychology	3.0
OR		
PSYCH-101H	Introduction to Psychology – Honors	3.0
PSYCH-172	Developmental Psychology	3.0
OR		
PSYCH-172H	Developmental Psychology – Honors	3.0
SOCI-101	Introduction to Sociology	3.0

OR
SOC1-101H

Introduction to Sociology – Honors
