Discussion items (Hernan)

1) Reflection and Key Takeaways

2) Guiding questions:

- ♦What are some reasons people emigrate to the U.S.?
- ♦From your perspective, what are some misconceptions about undocumented student and community experience?
- ♦Why is it important to continue to be a presence on campus?
 - The video was shared with the group. The group emphasize the

importance of learning of undocumented student experiences. There needs to be a level of sensibility and there needs to be support for students. It may be important for some faculty to know and understand some students struggles. There is always a need to raise awareness to show students that the campus cares.

- There are many undocumented students who can't work in what they majored in due to the status. What can we do within our scope to help the undocumented student population?

D. Upcoming Virtual Learning Opportunities (Marilyn)
