

Resolution of Confidence in President/CEO David Andrus

WHEREAS, the Associated Student Government (ASG) of College of the Canyons (COC) has the responsibility to advocate for and represent the voices, needs, and interests of the student body; and

WHEREAS, President/CEO David Andrus has demonstrated an ongoing commitment to building trust with students by maintaining direct and open communication; and

WHEREAS, President/CEO David Andrus has advanced the campus climate towards improvement by focusing on accessibility, and creating an environment with shared values of respect, wellness, and inclusion; and

WHEREAS, President/CEO David Andrus has engaged Associated Student Government leaders in meaningful discussion on matters directly affecting students, showing honesty, and welcoming student participation in decision-making processes that shape the campus experience; and

WHEREAS, President/CEO David Andrus has provided steady and ethical leadership during a period of administrative transition, guiding the college with fairness and a focus on both institutional stability and student success; and

WHEREAS, President/CEO David Andrus has further demonstrated fiscal responsibility and integrity by initiating accountability measures, such as a forensic audit to strengthen transparency and safeguard college resources, while upholding the college's mission of access, equity, and excellence.

THEREFORE, BE IT RESOLVED that the Senate of the Associated Student Government (ASG) of College of the Canyons (COC) formally issues this Vote of Confidence in President/CEO David Andrus, recognizing his dedication to fairness, transparency, shared governance, and integrity; and

BE IT FURTHER RESOLVED that this resolution be shared with the entire college community, the Board of Trustees, and other relevant stakeholders as an expression of the Associated Student Government's confidence in President/CEO David Andrus's continued leadership in guiding the college with a steadfast focus on student well-being and institutional success.
