**Item Number:** 3.3

**Agenda Item Title:** Approval of Transfer of Funds for the Cherry Blossom Tree Legacy Project

**Background:** The 2024-2025 ASG Senate's legacy project at the Canyon Country Campus was to plant a cherry blossom tree in order to attract students to the campus. By leaving this legacy on campus, students would be introduced to ASG, as many students do not know about our student government. Additionally, the hope was that it will bring the community together with events and meetings to take place at the tree. We are currently in the next phase of the project, with implementing a small fountain, pathway and updated landscaping to be done around the tree that was planted last year at the Lower Plaza in front of the Student Services Building. Due to the extent of the scope of work, Facilities will be hiring a third party to complete the work. While there is a legacy line item amount, CCC is in need of an additional \$500 to cover the remaining costs.

**Cost:**

\$ 4,395.00-Total cost of the project

-\$1,000-CCC Legacy Project

-\$2,895-Canyon Country Campus

**Total Cost Needed:** \$500

**Recommendations:** Move to approve the transfer of \$500.00 from the CCC Social and Cultural account #001.9805 to the CCC Legacy account 001.9502 to cover the remaining cost of the Cherry Blossom Tree Project.
