Agenda Item Title: Discussion of Townhall Collaboration

Background: On behalf of S.A.F.I.R.E. (Students Advocating for Immigrant Rights and Equity) Student Alliance, we would like to propose a collaborative townhall event with ASG as part of our Fall 2025 programming launch. Our goal is to create a space where undocumented and allied students can engage in meaningful dialogue with student leadership about the need for increased support in student services and to explore how we can work together moving forward to strengthen student advocacy on campus. We are aiming to host this event on either Tuesday, September 9 or Tuesday, September 16 at 2:30 PM, and we would love to have your support and participation. This townhall would not only provide a platform for students to voice their needs and concerns but also help us lay the groundwork for future collaboration between SAFIRE and ASG focused on uplifting and representing student voices across campus.
