Agenda Item Title: ASG Print Stations

Background: One of the ongoing legacy projects that the 2023-2024 and 2024-2025 ASG Senates has pursued is to economically expand student printing benefits that are covered through the Student Support Fee. With many students who may not be able to access their printing benefits because they are unable to visit the ASG Computer Labs at either campus during operating hours, ASG wanted look into a more equitable and financially feasible option.

Over the past year, ASG has worked with Computer Support, TLC, and the Library to discuss the idea of installing print stations in different locations on both campuses, including the TLC and Library. Last semester, a vendor from WEPA provided an overview of their stations that include many of the amenities that are offered through the ASG Computer Lab. Mat Camara, Director, Technology and User Support Services, will share information about the print stations and capabilities at this time.
