Background: The Activities Board will now discuss all possible events that will take place in October to November.

Rachel held event and it went well yesterday.

Today's event also went well.

Kristian is working on a Thankful Tree event on 11-10 from 1-2pm at the flagpole -make a tree and have people write down things thankful for.

ASG is doing a photo booth during the Homecoming Pre-game event.

Help is needed from 3:00pm until 5:00pm to prepare.

Kristian is holding an event on 11-19 and will focus on a thankful event by writing cards to someone they are thankful for and then receiving a treat. Event name- Giving Gratitude. 12 until 1pm at the flagpole.

The tree will be three dimensional for students to put their thankful messages.

Too many events are being held at Valencia and none at CCC.

Think of ways to bring some events to CCC.

Some students only attend CCC, so holding events at this campus is important.

No CCC events have been planned this semester and at least a few events should be done at CCC this semester.

Taha and Tina are available to hold a CCC event on November 5 from 12 to 1pm -Donut Stress is the event name.

For National Donut Day, a donut along with an affirmation message will be given during the event.

Possibly hold the Root beer Float rather than the Donuts on November 5th.

Reminder may be given during the Senate meeting to hold CCC events.

October 29th Maya is holding the event and funds will be approved during today's senate meeting.

Amna and Areesh is planning an event on November 3rd, Monday and is a voter registration event and will be 2:30-3:30pm at the flagpole.

Students will be able to register online to vote and will be handing out cookies.

Collaboration with Political Science/Communication club may also take place.

Star Party is October 24 from 6 to 9:30pm and ASG has always had a presence at this event.

Good opportunity to meet peers and hand out snacks during the event.

This is a Friday and office hours for that week may be switched if you are able to attend.

Star Party includes a speaker as well as clubs with tables focusing on Science.

The event is open to the Community as well.

Telescopes are set up, and food trucks are at the event.

Maya, Charlotte, Danielle and Farah can help during Star Party.

Bonding activities are planned by the Exec VP. And everyone is on board.

Give thanks and get pie 11-12 is very similar so may change the theme.
