***Background:*** The Activities Board will now discuss things that went well over the past semester and things can be improved on. Will also review the feedback given by other officers and directors regarding activities and goals for the Spring semester.

VP of Activities will be interviewed during Senate meeting today.

The past events had a good turnout and were enjoyable.

Last semester, Valencia had many events that were consistent.

Events were engaging and helped students become involved with Campus life.

The coordination and setup were good and took teamwork.

Focus more on the events at CCC for this semester.

Currently, there is one open position for Valencia, and four positions are open at Canyon Country.

ASG activity board will interview potential candidates for open positions.

CCC needs events as there are fewer classes taking place at CCC.

Events should be started on time as well as the duration of the events should be consistent.

An hour is enough time to hold an event is the consensus.

### ***Taha Saiyed, Vice President of Advocacy, arrives at 1:44 pm***

Supplies purchased for the duration of the events for the most part have lasted for entire event.

Additional supplies may be purchased if needed to last for entire event.

Suggestion is to assign roles for events ahead of time to include about 2 to 3 events.

When students are in larger groups, it tends to draw in more of a crowd.

Suggestion is to add the ASG events to the district calendar.

Advertising events ahead of time during ASG events are also suggested as well as on Canvas.

Discussion on continuing use of Slack as a form of communication, which is yes.

Discussion of holding an potential Homecoming Event.
