Club E-mail Requirement

Clubs are required to create a my.canyons.edu e-mail account. Third party e-mail accounts (e.g. Gmail, iCloud, Yahoo, etc.) will no longer be displayed on the Student Center lobby. An advisor must submit a helpdesk ticket request for a general e-mail for clubs. This e-mail will be a shared account and the advisor will be able to request access for club officers and advisors. If this requirement is not fulfilled by

the end of the Fall 2023 semester, the club will be placed on probation. *Remember that this is a requirement that must be fulfilled for the \$20 incentive.*

Earn \$20 for your club!

Clubs that successfully submit all required chartering forms by September 15, 2023 by 12pm will receive \$20 in their club accounts. E-mail lynn.suh@canyons.edu to confirm if your club has submitted all forms. *Please note that this incentive will only be available for clubs that submit accurate forms. Make sure that your club constitution has all the mandatory inclusions, provide the student ID numbers for your club members, ask all your club advisors to submit a Club Advisor Agreement form, and create a my.canyons.edu e-mail address for your club. There will be no exceptions or extensions for this incentive.*

Other Reminders.

1. If you need to make any edits on your Club Information form (e.g. club officer change, updated membership form), please e-mail lynn.suh@canyons.edu.
2. When designing flyers for your clubs, please be mindful of the use of color. Although the ASG Computer Lab provides free printing as a student benefit, it is difficult (and costly) to print many copies of flyers with colored backgrounds. Please use a white background with pops of color when designing a colored flyer. Thank you for your cooperation and understanding.
