Changes since the first reading will be reviewed today.

First reading changes are reflected in the meeting minutes.

First change is to the section on probation and the timeframe.

Dates will be specified and will exclude summer and winter session.

For example, for clubs placed on probation today, the time will stop during the summer and will be reactivated at the start of fall.

Probation includes no access to club funds, no facility to reserve for holding events, no submitting for club points.

Clubs still may recruit but cannot claim incentive points.
