3.1 Discussion: In Good Standing Status

Motion: Communication Studies Club- Chase Longan

Second: National Student Nurses' Association- Ashley Farah

Background: Beginning in 2026-2027, the Inter Club Council will be implementing a new club status category that will be replacing the ICC Incentive Points program. Instead of earning incentive points for different activities, clubs meeting certain requirements will be placed in a new "in good standing" category that will allow them to be eligible for various club privileges. While the original goal of the ICC Incentive Points program was to reward clubs for their active involvement, it has become a very cumbersome job for both clubs and ASG to keep track of club points. More information about the change will be shared at this time.
