Accreditation Standards

ACCJC Standards

- Standard I: Mission, Academic Quality and Institutional Effectiveness, and Integrity
- Standard II: Student Learning Programs and Services
- Standard III: Resources
- Standard IV: Leadership and Governance

Important Tenets Embedded in the Standards

- Focus on achieving institutional mission
- Integrity and honesty in institutional policies and actions
- Focus on student outcomes completion of meaningful education, learning, demonstrable knowledge and skills
- Metrics and evidence used to assess institutional quality
- Ongoing internal quality assurance practices
- Continuous improvement for high performance

UPCOMING ACTIVITY and PURPOSE

- 1. To provide opportunity to discuss varying perspectives on the standard
- 2. To identify differences among standards which are related
- 3. To identify 1-2 pieces of evidence at COC which would demonstrate alignment
- 4. To provide opportunity to norm COC's interpretation and expectation to demonstrate alignment

Interpreting the Standards

Standard II.A.1:

All instructional programs, regardless of location or means of delivery, including distance education and correspondence education, are offered in fields of study consistent with the institution's mission, are appropriate to higher education, and culminate in student attainment of identified student learning outcomes, and achievement of degrees, certificates, employment, or transfer to other higher education programs.

Interpreting the Standards Activity

- 1. Go to your assigned Breakout Group Zoom Room
- 2. Decide group reporter closest birthday to April 24
- 3. Read the Standards that have been assigned to you.
- 4. Interpret the Standards and discuss accompanying questions.
- 5. Determine College of the Canyons sources of evidence.
- 6. Group has 45 minutes to discuss. Be prepared to share with the entire group.
- 7. Join Main Zoom Room at 2pm. (Note: 1:45-2:00pm break)

- **I.A.2** (*Mission*): The institution **uses data** to determine how effectively it is **accomplishing its mission**, and whether the mission directs institutional priorities in meeting the educational needs of students.
- **I.B.4** (Assuring Academic Quality and Institutional Effectiveness/Academic Quality): The institution **uses assessment data** and organizes its institutional processes to support student learning and student achievement.
- **I.B.5** (Assuring Academic Quality and Institutional Effectiveness/Institutional Effectiveness): The institution assesses accomplishment of its mission through program review and evaluation of goals and objectives, student learning outcomes, and student achievement. Quantitative and qualitative data are disaggregated for analysis by program type and mode of delivery.

- **I.B.2** (Assuring Academic Quality and Institutional Effectiveness/Academic Quality): **The institution defines and assesses student learning outcomes** for all instructional programs and student and learning support services.
- **II.A.3** (*Instructional Programs*): **The institution identifies and regularly assesses learning outcomes** for courses, programs, certificates and degrees using established institutional procedures. The institution has officially approved and current course outlines that include student learning outcomes. In every class section students receive a course syllabus that includes learning outcomes from the institution's officially approved course outline.
- **II.C.2** (Student Support Services): The institution identifies and assesses learning support outcomes for its student population and provides appropriate student support services and programs to achieve those outcomes. The institution uses assessment data to continuously improve student support programs and services

I.C.8 (*Institutional Integrity*): The institution establishes and publishes **clear policies** and procedures that promote **honesty, responsibility and academic integrity**. These policies apply to **all constituencies** and include specifics relative to each, including student behavior, academic honesty **and the consequences for dishonesty**.

III.A.13 (*Human Resources*): The institution upholds a written code of professional ethics for all of its personnel, including consequences for violation.

IV.C.11 (*Governing Board*): The governing board upholds **a code of ethics** and conflict of interest policy, and individual board members adhere to the code. The board has a **clearly defined policy** for **dealing with behavior that violates its code** and implements it when necessary. A majority of the board members have no employment, family, ownership, or other personal financial interest in the institution. Board member interests are disclosed and do not interfere with the impartiality of governing body members or outweigh the greater duty to secure and ensure the academic and fiscal integrity of the institution.

I.C.5 (*Institutional Integrity*): The institution **regularly reviews** institutional **policies**, procedures, and publications to assure integrity in all representations of its mission, programs, and services.

IV.C.7 (*Governing Board*): The governing board acts in a manner consistent with its policies and bylaws. The board **regularly assesses** its **policies** and bylaws for their effectiveness in fulfilling the college/district/system mission and revises them as necessary.
