Online Education Workshops to Support Remote Instruction

April 6 – 10, 2020

Monday, April 6, 2020

Online Education Open Labs
Mon Apr. 6
9:00 am - 11:00 am
https://cccconfer.zoom.us/j/413417621
Drop-in for this online open lab where you can bring your questions about Canvas, Zoom, and more! Collaborate with colleagues, get your questions answered, and explore best practices.

Effective Online Instruction: Managing your Online Presence
Mon. April 6
11:00 am - 12:00 pm
Register online:
https://zoom.us/webinar/register/4615855798030/WN_FopJf56rSFS_OyRZKYkmeg
External: One of the most important aspects—if not the most important aspect—of any student's learning is you, the instructor. Learn how to more effectively be involved in discussions, respond to questions, provide feedback and encouragement, so students feel more supported and engaged in your course. This one-hour, live webinar will be moderated by a member of the ACUE academic team. The webinar includes Q&A with participants and will be recorded and hosted by ACUE. Implementation resources related to each topic are available at https://acue.org/online-teaching-toolkit/

Faculty Drop-in Hours for Remote Teaching - with CVC OEI
Mon Apr. 6
12:00 pm - 1:00 pm
https://cccconfer.zoom.us/j/831127113
External (cvc.edu/events): If you are teaching a course that is shifting online, click the link and join one of CVC-OEI's instructional designers in Zoom to get your questions answered.

Online Education Open Labs
Mon Apr. 6
1:00 pm - 3:00 pm
https://cccconfer.zoom.us/j/413417621
Drop-in for this online open lab where you can bring your questions about Canvas, Zoom, and more! Collaborate with colleagues, get your questions answered, and explore best practices.

Getting Started with Labster for Teaching Science Labs Online
Mon Apr. 6
3:00 pm - 4:00 pm
https://zoom.us/j/9063740877
External: This session is for CCC faculty who are transitioning lab sciences courses to remote instruction. It provides a helpful overview of Labster, the virtual lab provider that is now available to you with support from the CCC Chancellor's Office. The session includes an overview of Labster including.

Intro to Canvas - for New Users*
Mon Apr. 6
5:00 pm - 7:00 pm
https://cccconfer.zoom.us/j/413417621
Never used Canvas before? This workshop is for you! This introductory workshop will walk you through the "Intro to Teaching with Canvas" self-paced online course. We will explore the essentials of what you need to know to get started in Canvas and discuss the basics of building accessible course content. We will demonstrate how to build essential components of a Canvas course to help you to begin creating content in your own course. Items that we will walk through include how to upload your syllabus, make a Home page, create an Announcement, and build an Assignment, enter grades and provide feedback, and view your course in Student View.
*This workshop, combined with the Section 508/ Accessibility workshop, will provide participants with Canvas Certification for spring 2020 remote instruction.

Tuesday, April 7, 2020

Online Education Open Labs
Tues Apr. 7
8:00 am - 10:00 am
https://cccconfer.zoom.us/j/413417621
Drop-in for this online open lab where you can bring your questions about Canvas, Zoom, and more! Collaborate with colleagues, get your questions answered, and explore best practices.

Faculty Support Drop-in Hours for Remote Teaching - with CVC/OEI
Tues. April 7
9:00 am - 10:00 am
https://cccconfer.zoom.us/j/831127113
External (cvc.edu/events): If you are teaching a course that is shifting online, click the link and join one of CVC-OEI's instructional designers in Zoom to get your questions answered.

Getting Started with Labster for Teaching Science Labs Online
Tues. April 7
9:00 am - 10:00 am
https://zoom.us/j/9063740877
External: This session is for CCC faculty who are transitioning lab sciences courses to remote instruction. It provides a helpful overview of Labster, the virtual lab provider that is now available to you with support from the CCC Chancellor's Office. The session includes an overview of Labster including a preview of discipline-specific virtual simulations and student assessments, as well as time for Q&A.

Online Education Open Labs
Tues. Apr. 7
11:00 am - 1:00 pm
https://cccconfer.zoom.us/j/413417621
Drop-in for this online open lab where you can bring your questions about Canvas, Zoom, and more! Collaborate with colleagues, get your questions answered, and explore best practices.

Humanizing Temporary Remote Teaching in Support of Equity
Tues. April 7
1:00 pm
https://cccconfer.zoom.us/j/518763120
External (cvc.edu/events): Join Michelle Pacansky-Brock for a mindful consideration about why presence, empathy, and awareness matter even more in times of disruption. And pick up some tips for minimizing stress through human connections in your course.

Grading in Canvas
Tues. April 7
3:00 pm - 4:00 pm
https://cccconfer.zoom.us/j/413417621
Explore the Canvas Gradebook features, tools, and settings. Learn best practices for rubrics and assignment groups, and how to use the Speedgrader to view, evaluate, and provide feedback on student submissions.

Group and Collaborative Work in Canvas
Tues. April 7
4:30 pm - 5:30 pm
https://cccconfer.zoom.us/j/413417621
Empower your students to work effectively in groups! In this workshop, we will look at best practices for designing online group projects and activities in Canvas. Learn how to create and edit group discussions and assignments and effectively monitor and assess student group work.

Wednesday, April 8, 2020

Online Education Open Labs

External (cvc.edu/events): If you are teaching a course that is shifting online, click the link and join one of CVC-OEI's instructional designers in Zoom to get your questions answered.

Sharing Course Materials with Students Using Canvas Pages
Wed. April 8
4:00 pm - 5:00 pm
https://cccconfer.zoom.us/j/585845791
External (cvc.edu/events): Join the California Virtual College – Online Education Initiative (CVC-OEI) for a webinar on how to share materials with students in Canvas.

Online Education Open Labs
Wed. Apr. 8
4:30 pm - 6:30 pm
https://cccconfer.zoom.us/j/413417621
Drop-in for this online open lab where you can bring your questions about Canvas, Zoom, and more! Collaborate with colleagues, get your questions answered, and explore best practices.

Thursday, April 9, 2020

Faculty Support Drop-in Hours for Remote Teaching
Thurs. April 9
9:00 am - 10:00 am
https://cccconfer.zoom.us/j/831127113
External (cvc.edu/events): If you are teaching a course that is shifting online, click the link and join one of CVC-OEI's instructional designers in Zoom to get your questions answered.

Equity-Minded Student Services in the Online Environment
Thurs. April 9
10:00 am - 11:00 am
Register online: https://zoom.us/webinar/register/WN_UbhVm3BkQMm3huTooS27FQ
External (Center for Organizational Responsibility and Advancement [CORA]): This webinar will focus on providing equity-minded student services to community college students in the online environment.
Presenters: Frank Harris III and J Luke Wood

Online Education Open Labs
Thurs. Apr. 9
10:00 am - 12:00 pm
https://cccconfer.zoom.us/j/413417621
Drop-in for this online open lab where you can bring your questions about Canvas, Zoom, and more! Collaborate with colleagues, get your questions answered, and explore best practices.

Effective Online Instruction: Organizing your Online Course
Thu. April 9
11:00 am – 12:00 pm
Register online:
https://zoom.us/webinar/register/2215855802700/WN_K5UrsfgpS8uAXTx68MK2-Q
External: Students can become confused, frustrated, or disengaged if they find it challenging to simply navigate a course learning environment. Learn how to organize your course from the students' point of view—using tools like creating a module roadmap, creating a predictable rhythm, and more. Hosted by ACUE. Implementation resources related to each topic are available at https://acue.org/online-teaching-toolkit/.

Assignment Basics in Canvas
Thurs. April 9
1:00 pm - 2:00 pm
https://cccconfer.zoom.us/j/389936044
External (cvc.edu/events): Join the California Virtual College – Online Education Initiative (CVC-OEI) for a webinar on creating assignments in Canvas.

Collecting Student Work with Canvas Assignments
Thurs. April 9
1:00 pm - 2:00 pm
https://cccconfer.zoom.us/j/389936044
External (cvc.edu/events): Join the California Virtual College – Online Education Initiative (CVC-OEI) for a webinar on using Canvas assignments to collect student work.

Group and Collaborative Work in Canvas
Thurs. April 9
2:00 pm - 3:00 pm
https://cccconfer.zoom.us/j/413417621
Empower your students to work effectively in groups! In this workshop, we will look at best practices for designing online group projects and activities in Canvas. Learn how to create and edit group discussions and assignments and effectively monitor and assess student group work.

Keep Teaching with TechConnect (Confer) Zoom
Thurs. April 9
3:00 pm - 4:30 pm
https://cccconfer.zoom.us/j/472329778
External (cvc.edu/events): This 90-minute interactive session will help faculty who are new to TechConnect (Confer) Zoom get started with a new account, as well as apply basic features for remote teaching (chat, screen share, recording).

Getting Started with Labster for Teaching Science Labs Online
Thurs. April 9
3:00 pm - 4:00 pm
https://zoom.us/j/9063740877
External (cvc.edu/events): This session is for CCC faculty who are transitioning lab sciences courses to remote instruction. It provides a helpful overview of Labster, the virtual lab provider that is now available to you with support from the CCC Chancellor's Office. The session includes an overview of Labster including a preview of discipline-specific virtual simulations and student assessments, as well as time for Q&A.

Online Education Open Labs
Thurs. Apr. 9
4:00 pm - 6:00 pm
https://cccconfer.zoom.us/j/413417621
Drop-in for this online open lab where you can bring your questions about Canvas, Zoom, and more! Collaborate with colleagues, get your questions answered, and explore best practices.

Friday, April 10, 2020

Getting Started with Labster for Teaching Science Labs Online
Fri. April 10
8:00 am - 9:00 am
https://zoom.us/j/9063740877
External (cvc.edu/events): This session is for CCC faculty who are transitioning lab sciences courses to remote instruction. It provides a helpful overview of Labster, the virtual lab provider that is now available to you with support from the CCC Chancellor's Office. The session includes an overview of Labster including a preview of discipline-specific virtual simulations and student assessments, as well as time for Q&A.

CVC OEI Faculty Drop-in Hours for Remote Teaching
Fri. April 10
9:00 am - 10:00 am
https://cccconfer.zoom.us/j/831127113
External (cvc.edu/events): If you are teaching a course that is shifting online, click the link and join one of CVC-OEI's instructional designers in Zoom to get your questions answered.

Grading in Canvas
Fri. April 10
