B. Reports

These are informational items no discussion or action will be taken. However, clarification questions are welcomed.

1. [IDEA Liaison Report](#), Alene Terzian
 - I. Many committees on campus are undertaking IDEAA work via different avenues. A shared repository will be created as a tool kit resource both digitally (using Pebble Pad) and on campus. There will be an IDEAA workshop. A Faculty Inquiry group was created over the summer. The repository could be institutionalized and overseen by CETL.
2. Academic Senate Presidents Report, David Andrus
 - I. **NEW ASG Student Trustee Rep:** Welcome to Hestia Sardika!
 - II. **Self-Service Retreat:** A taskforce was reformed and will meet soon to discuss challenges with the enrollment system. Lisa Sawyer is moving forward to implement Phase 2 (Programming a new logic for section status indicators: critical dates, open, waitlist, add, or close).
 - III. **Dept Chair Training Series:** A meeting will be scheduled with all facilitators that are going to run the 8 dept chair workshops in order to coordinate efforts. There will be 4 workshops in fall and 4 in spring. There might be a cap on the size of the cohort. The first workshop is scheduled for Friday, Sept. 22nd at 10:30 following IAC meetings.
 - IV. **DEIA Faculty Competencies Taskforce** is being formed to implement mandated evaluation standards.
 - V. **BONH 330 Update:** Senate discussed adding student art. All faculty may have key access to the room. There is concern with someone reconfiguring the computer settings. A room protocols document will be developed soon for scheduling and usage. COCFA has some ideas for displaying emeriti photos.
 - VI. **Senate Elections Update:** Dustin Silva will have a schedule of all upcoming elections to share with all senators so they can share with their Schools. The pending elections include two adjunct senators, KPEA Senator, Public Safety School Senator, Curriculum adjunct representative and Health and Public Safety representative. David is not seeking another 2 years as Academic Senate President and will nominate Lisa Hooper as President.
3. Vice Presidents Report, Lisa Hooper
 - **Senate Meeting Recap:** The Senate Monday meeting recap/summary has been working well.
 - **Faculty Spotlight:** The idea is to host 3 faculty per term. BONH 330 has been reserved from 5:30pm for Sept. 12th. Victoria Leonard will be the Faculty in the Spotlight for September. The faculty for Oct. 19th and Nov. 16th will be determined later.
 - **Faculty Offices Update:** It was clarified that faculty can still put in for an office in 2 rounds of lottery rounds. The faculty Office procedures will be coming to Senate.
 - **COC Construction and Access Map Emails:** Many don't feel that the map that is included in the email from Facilities is very clear. The map may need better color choices. The hope is that construction will

be completed by the end of the month.

- **Emeriti Faculty:** Some collage photo frames similar to those displayed on the Canyons Hall wall may be ordered for BONH 330. If anyone has any ideas please share with Senate leadership.

C. Action Items

Below is a list of items that the Senate will take action on. Discussion is welcomed by all attendees.

None

D. Discussion

Below are items that the Senate will discuss and no action will be taken. Discussion is welcomed by all attendees.

1. [Curriculum Committee Cultural Competency Grant Discussion](#), Dr. Tricia George
 - There was a grant awarded for \$300,000. The focus is on adding IDEAA content to course material. For year 1 there will be sandbox discussions to explore IDEAA efforts related to curriculum with FLEX credit awarded for participating. For year 2 it will be one on one coaching. Meeting dates are scheduled Mondays at 1:30pm -2:30pm.
2. [Earthquake & Campus Safety Preparedness Discussion](#), Dr. Jim Temple
 - There is a scheduled Great Shakeout in the fall 23 semester and an Active Shooter training in spring 24. For those who are mobility challenged there are evacuation chairs available at all buildings. Monthly checks will be conducted for AED's units. Suggestions were made to have the Incident Command team assess paths of travel in construction areas, conduct case studies and move phones by doors. Emergency Preparedness townhalls will be held during the current academic year.
3. [Enrollment Management 8-week section Discussion](#), Dr. Omar Torres
 - The college will not be changing to an 8-week calendar. 25-26% of our courses are short term at COC, with the goal to increase 30-33%. The student population has now changed and the college needs to adapt. The emphasis for CCC is to see where to create a space for 8-week short term classes with STEM, CTE GE. There are some concerns with scheduling some 8 weeks courses in STEM. If this experiment works will there be a college commitment to allow lower-level enrollment minimums. Those standards will be adopted in the Enrollment Management Principles document. There are not many food options for students at CCC. This is a concern and can undermine scheduling efforts at CCC.
