RE: Academic Staffing Committee recommendations

The Academic Staffing Committee (ASC) met and reviewed the following recent vacant full-time positions at its October 13, 2015, meeting:

- Business (Accounting) (Bauwens)
- Business (Business Law) (Waldon)
- English (Cheng-Levine)

The ASC reviewed staffing data and materials from the above departments. It was noted that Business currently has an accounting position in the “Strongly Recommended” category of recommendations while has two in that same category and two in the “Recommended” category. The committee viewed that as further indication of a need to fill these positions.

By a majority vote, the ASC recommended the vacant positions in Business and English for replacement.

We have included the “Historic List of Faculty Vacancies” – you may find this list helpful in making your recommendations. If you would like any further information we will be happy to meet with you at your convenience.

Thank you,
Peter Hepburn, on behalf of the ASC
