

BP 3820 Gifts to the District

Reference:

Education Code Section 72205

The Board delegates to the CEO the authority to consider all gifts, bequests, devices, donations, endowments, trusts, and similar funds or other assets, except real property, which are designated for the use of the District for College programs or projects. The CEO reserves the right to refuse any gift, bequest, device, donation, endowment, trust, similar fund or other asset which does not contribute toward the achievement of the goals of the District or the ownership of which would tend to deplete the resources of the District.

Real Property donations must be approved by the Board of Trustees. Upon Board of Trustees approval, donated real property may be sold or otherwise conveyed at fair market value, consistent with any gift restrictions.

Gifts valued at \$100 or more will be reported to the Board of Trustees annually. The District shall assume no responsibility for appraising the value of gifts made to the District.

Acceptance of a gift shall not be considered endorsement by the District of a product, enterprise, or entity.

In no event shall the District accept a donation from any donor who engages in practices or policies which discriminate against any person on the basis of nationality, religion, age, gender, gender identity, gender expression, race or ethnicity, medical condition, genetic information, ancestry, sexual orientation, marital status, military or veteran status, or physical or mental disability; or when the stated purposes of the donation are to facilitate such discrimination in providing educational opportunity.
