

## **BP 5200 Student Health Services**

**Reference:**

Education Code Section 76401

Student health services shall be provided to the general student body in order to contribute to the educational aims of students by promoting physical and emotional well being through health oriented programs and services.

The Student Health and Wellness Center shall, to the extent feasible, make services available to students, including personal counseling, health, mental health, victim advocacy, and legal assistance, as well as offer resources for the accused.

**Approved 01/25/16**

**See Administrative Procedures 5200**
