

BP 5911 Requirements Prior to Registration

Reference:

Education Code 76000-76002 and Title 5 Section 55520-55524

5911.1 All potential students must file a formal application for admission.

5911.2 Pre-registration requirements for all new students include:

- A. All new students under the age of 18 and all students intending to pursue a degree must have a transcript of their high school record and/or a transcript of work at each college or university attended sent to the Office of Admissions and Records. Such transcripts become the property of the College.
- B. Take appropriate placement examinations unless exempt under provisions of the College's "Matriculation Plan."
- C. Complete an orientation and advisement program unless exempt under provisions of the College's "Matriculation Plan."

Approved 12/7/11
