Board of Trustees Meeting
November 7, 2018

Recognition

CHILDREN'S CENTER OPEN HOUSE

A special Open House was held at the **Canyon Country Campus Early Childhood Education Center** on Wednesday, October 24th as part of their **10th Anniversary Celebration**. Some of their outstanding accomplishments in the last 10 years include:

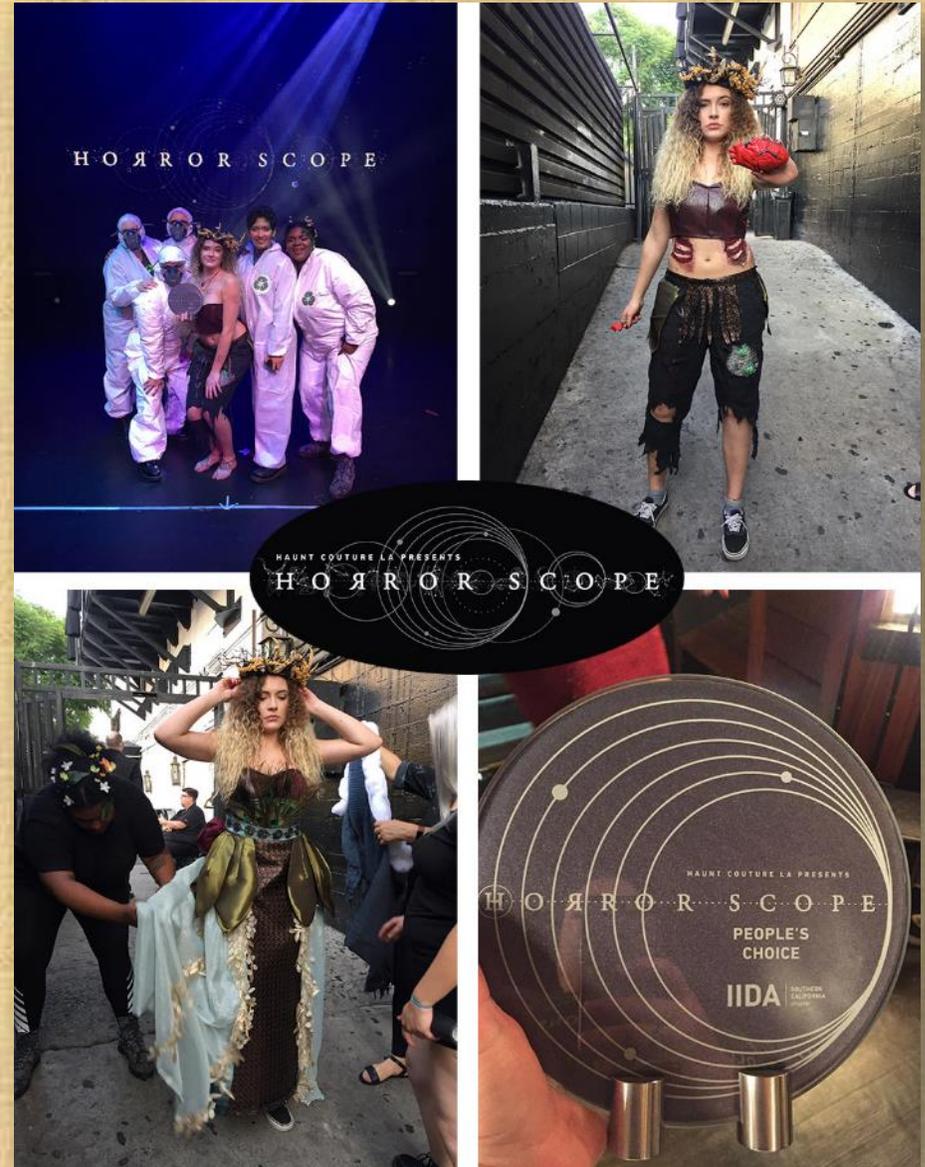

- Opening in August 2009 with a **pilot half-day program** of **16** 3-5 year olds and by Fall 2010 increasing to **24** children and a **full-day program**.
- In the last 10 years over **215** children have been served.
- The CCC ECE has provided essential, quality, workforce skills for approximately **150** ECE Practicum students.
- In Fall 2016 the **program hours were extended** to meet the needs of students, families, faculty and staff.
- In Fall 2016 they implemented the **Outdoor Classroom principles**.
- In Fall of 2017 they became a **Quality Start Program!**

ARCHITECTURE & INTERIOR DESIGN PROGRAM EXCELS

For the **3rd time in 4 years**, a team of COC **Architecture & Interior Design students** took home a trophy at the **International Interior Design Association, Southern California Chapter, Haunt Couture** event.

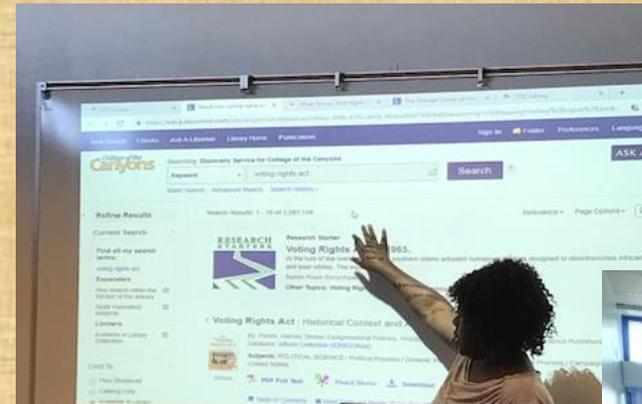

- This annual competition, which fuses fashion and design, was held on Thursday, October 25th at the historic Avalon Hollywood Nightclub.
- The students won for their designed performance **“Footprint of Mankind”**.
- Congratulations to students **Natalie Aliaga, Ciara Asberry, Carol Marron, Maxie Rosales and Elisa Tardetti** and their faculty advisor **Holly Hitt-Zuniga**.

LIBRARIANS IN ACTION!

We are pleased to have **Sara Breshears** and **Jennifer Thompson** as our new full-time librarians!

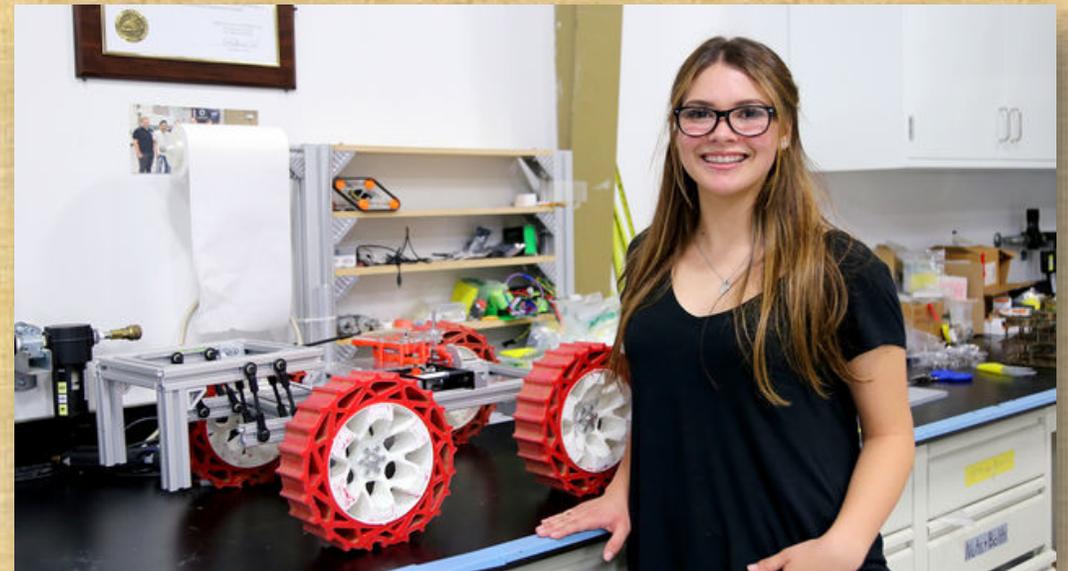

- With their efforts, they have developed and delivered **30** workshops on Student Information Literacy this fall – **doubling the number** of sessions during all of 2017-18.
- Over **500** student have attended these workshops gaining valuable knowledge and skills to help them conduct research and evaluate sources.

COC MESA STUDENT WORKING ON VENUS ROVER!

Tonya Beatty, a COC engineering and MESA student is working as an intern at *NASA's Jet Propulsion Laboratory*.

- Tonya is working with a team on the *Hybrid Automation Rover-Venus (HAR-V)* project to develop a new kind of rover that is powered mostly by gears rather than sensitive electronics.
- The goal of the project is to be able to withstand extreme environments for longer than **127** minutes and retrieve groundbreaking data that scientists have been wanting from Venus.
- Tonya never thought she would be able to do something like this at **age 19** and wants people to know that some things you think are impossible are really right there if you reach for it!
- **Way to go Tonya!**

COC's CNC FAST TRACK PROGRAM WAS AWARDED!

On Thursday, November 1st Mike Bastine, John Milburn, and Justin Wallace attended the **23rd Annual South Bay Workforce Investment Board Awards Ceremony** in Torrance, Ca.

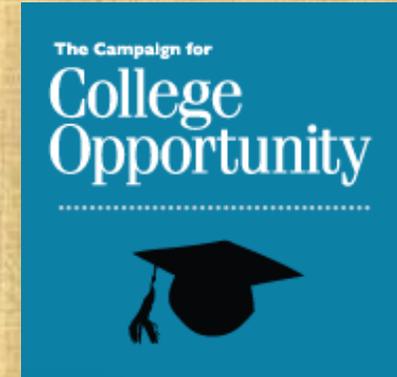

- The **CNC Fast Track Program** was recognized for the recent cohort receiving **100%** job placement rate.
- The Center for Applied and Competitive Technologies (CACT) has been running cohorts through the Fast Track program for years and has maintained a **90%** job placement rate.
- ***It's all about building partnerships!***

2018 CHAMPION FOR HIGHER EDUCATION!

College of the Canyons was honored to be named “**2018 Champion for Higher Education**” by **The Campaign for College Opportunity** for our work in awarding Associate Degrees for Transfers.

- In 2010 **The Campaign for College Opportunity** sponsored historic transfer reform legislation that created a clearer path for students to earn an associate degree and guaranteed admission to a California State University with a junior standing.
- To date, over **100,000** students have earned an Associate Degree for Transfer and of those who enrolled in the CSU, they earned their Bachelor’s degree nearly twice as fast as other transfer students.
- In a letter to us, **The Campaign for College Opportunity** said that “**College of the Canyons is a leading example of strong implementation of the Associate Degree for Transfer Pathway for students and is a model for other colleges in California to emulate.**”
- COC will be recognized at the **Champions of Higher Education celebration** on Tuesday, December 4th.

Partnerships

SCORPION

Whether you *think you can* or you *think you can't*, you're right!

INTRO TO LEAN PRINCIPLES TRAINING

COCs Workforce and Economic Development team facilitated an *Intro to Lean Principles* training for *L.A. Turbine*.

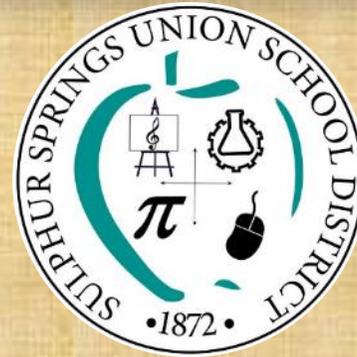

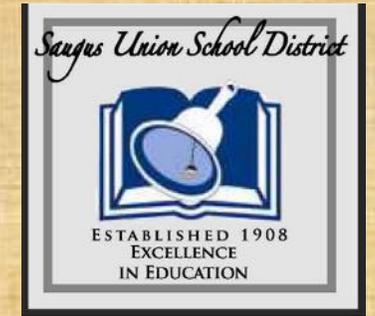

- 15 employees of *L.A. Turbine* began their 16 hours of training on October 4th.
- *L.A. Turbine* is a design and manufacturing company creating application-specific, highly engineered turboexpanders that are used in hydrocarbon processing, geothermal power generation and other power-recovery or refrigeration applications.

NEXT GENERATION SCIENCE STANDARDS TRAINING

On October 13th 5th grade teachers from our local elementary school districts attended ***Next General Science Standards (NGSS) training*** at COC with Teresa Ciardi.

- These dedicated teachers arrived at 7:30 am on a Saturday morning to learn how to engage students, explore, explain and elaborate on the NGSS.
- Professor Ciardi focused on two of the NGSS 5th grade standards and provided teachers with lesson plans and an opportunity to test out grade level appropriate investigations (experiments).
- The elementary school districts are extremely happy with this important partnership.

COC LAUNCHES ESL TRAINING AT MCDONALDS

COCs commitment to bringing education to local businesses has lead to a new partnership with the local McDonalds franchise owners.

- In October our ESL Department began working with the first cohort of 13 McDonalds employees to provide **English as a Second Language** classes.
- This will be an ongoing relationship as we continue to work with employees from their 8 Santa Clarita locations.

COC HOSTS CERTIFIED CONTRACT TRAINER CONFERENCE

30 Contract Education practitioners from throughout California came together to learn and share best practices at the **Certified Contract Trainer Conference** held at COC from October 23rd – 25th.

- LERN facilitated the conference and provided strategies to improve contract education units through data analysis and new techniques.
- **John Milburn** - Executive Director of the Employee Training Institute (ETI), **Jocey Hogan** - ETI Program Coordinator and **Justin Wallace**, Director of Educational Partnerships coordinated and participated in the conference.

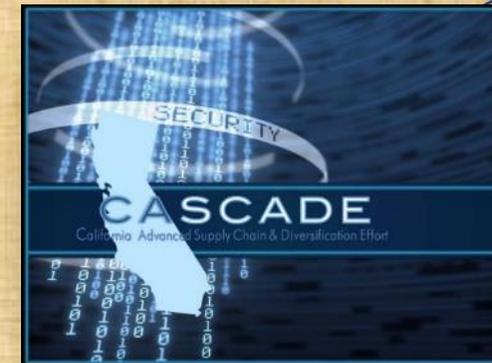

“Information That Works!”

DEFENSE SUPPLY CHAIN & BUSINESS RESOURCE EVENT

On October 25th, COC hosted over **30** businesses, government agencies, community college practitioners and economic development agencies for the **North LA County Defense Supply Chain and Business Resource Event**.

- The purpose of the event was to introduce businesses interested in or already participating in government defense contracting, to resources in the State that can help them better compete and win contracts.
- **Brian Brooks**, Senior Manager for **Lockheed Martin Skunk Works** Advanced Development Programs Supply Chain Management provided the keynote address and discussed best practices for being a Lockheed supplier.
- **Congressman Steve Knight** provide an update on what Congress is doing to support veterans and small businesses.

APPRENTICESHIP FORUM HELD FOR CERTIFIED NURSING ASSISTANT

COC is the only Community College in California that has been authorized by the U.S. Department of Labor to offer apprenticeship for **Certified Nursing Assistant (CNA)**.

- On October 26th, COC and Goodwill Southern California hosted a forum at the Hyatt Valencia to address the shortage of Certified Nursing Assistants.
- The audience included employers, community-based organizations and community colleges.
- The apprenticeship model received overwhelming acceptance from the attendees and is on its way to becoming a model for the state.

What's New On And Around our Campuses

ANOTHER SUCCESSFUL STAR PARTY!

The first *Star Party* of the Fall semester was held on Friday, October 12th at the Canyon Country Campus.

- Over **500** people were in attendance, including Roger and I!
- Guest speaker **Anna Ho**, graduate student in Caltech's Astronomy Department presented "**Dirty Fireballs and Orphan Afterglows: A Broader Landscape of Stellar Death**".
- Interactive science related demonstrations and activity tables were provided by our students, faculty and staff and our portable planetarium provided attendees with a special visual treat.
- High powered telescopes provided by local astronomy clubs and our own Astronomy & Physics Club were available for viewing of the night sky, which we got in before the rain began!
- This event continues to showcase our Canyon Country Campus by bringing in so many community members, families, students and staff!

LATINX & HISPANIC HERITAGE CULTURAL FESTIVAL

The *Department of Modern Languages & Cultures* in collaboration with the *Art Gallery, ASG, Sigma Delta Mu* and the *Spanish Program* presented the *2018 Latinx and Hispanic Heritage Cultural Festival* on Monday, October 15th.

- The event featured a variety of activities including art demonstrations, dance, music, handicrafts and food.

JOB FAIR AT COC

Hundreds of job seekers and **over 70 recruiters** attended the **COC Job Fair** on Friday, October 19th on the Valencia Campus.

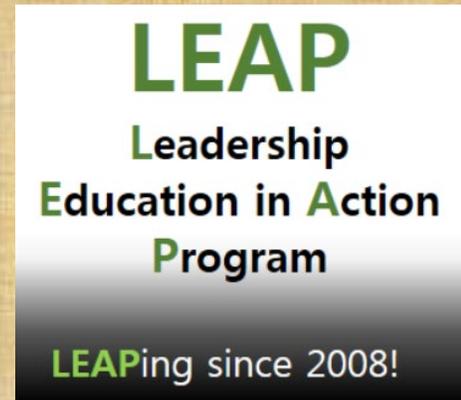

- The event is designed for employers to recruit current paid job opportunities only.
- KHTS concurrently ran a **Virtual Job Fair** for employers who could not attend the fair in person, with computers available to upload resumes.
- Workshops included:

LEAP ONTO THE PATH!

A new LEAP program began on Friday, October 26th – **LEAP Onto the Path** will focus on the four pillars of Guided Pathways.

- Guest speakers and panels of experts are featured throughout all sessions where they will share best practices and successes.
- We have **46** participants which include classified staff, adjunct faculty, fulltime faculty, administrators, an intern and an employee of the William S. Hart School District.
- Participants will be attending six in-class sessions and provide a Solution Team Project.
- At the first session, **Mr. Alan Williams** presented **“Directing Creativity: Creating a Culture, Concept and Cornerstone for Institutional Change.”**
- Participants also heard from a panel of Guided Pathways/Canyons Completes experts as well as a student panel.

MOVIE UNDER THE STARS

Over 150 people visited the Canyon Country Campus on Friday, October 26th to continue the celebration of the **10th Anniversary** of the **Center for Early Childhood Education**.

- Festivities began with an open house in the Center for Early Childhood Education and a variety of activities including face painting and a photo booth provided by the Center's staff and the TEACH program.
- **"Ballet Folklórico Tesoro Mestizo"**, under the direction of Lucy Medina, performed a variety of dances.
- The evening wrapped up with a **"Movie Under the Stars"** screening of **"Coco"**.

CHANCELLOR'S CIRCLE DINNER

We were pleased to welcome over **180** people to the annual **Chancellor's Circle Dinner** held on Saturday, October 27th in the TLC.

- The theme of the evening was **"Your Dream! Your Path! Your Way!"**
- Chancellor's Circle members and prospects enjoyed a cocktail reception while visiting several student displays.
- They also enjoyed a performance by students in **Ballet Folklorico Tesoro Mestizo**.
- Dinner was served by **students and instructors** from the **Culinary Arts Program** in the TLC, who prepared and served the delicious and beautifully plated hors d'oeuvres, dinner and dessert.
- **Jasmine Ruys** thanked our guests for supporting the **First-Year Promise Program**.
- The evening ended with an outstanding performance by **Dr. Kelly Cude** of her **"Dancing With Our Stars"** performance and our incredible **Vocal Jazz Emsemble** under the masterful direction of **Julie Lawson**.

CHANCELLOR'S CIRCLE DINNER

DIA DE LOS MUERTOS

The *Department of Modern Languages & Cultures* in association with *ASG, Sigma Delta Mu, ESL* and *Anthropology* presented “*Dia De Los Muertos*” October 25th – November 1st.

- This interdisciplinary collective showcase celebrating the “*Day of the Dead*” was held in the Library and featured an altar, art objects, painted skulls, genealogical tree and culinary art.
- The altar exhibit was created by COC students, faculty and staff.
- The celebration concluded on November 1st with a festive reception on the Library Patio.

Extended through November 9th!

VISIT TO THE CCC CHILDREN'S CENTER

I had the distinct pleasure of visiting the Canyon Country Campus Children's Center on Wednesday, October 31st.

- The children welcomed me in, gave me a special tour, demonstrated their artistic abilities and had me sit in two places of honor – next to the giant teddy bear and in the special tent.
- They also presented me with a hat and a very special piece of hanging art that they made, consisting of ten levels representing the 10th anniversary of the Canyon Country Children's Center.

HALLOWEEN PARTY

The COC *Annual Halloween Party* was held on Wednesday, October 31st in the East PE building on the Valencia Campus and in the Quad 1 Courtyard at the Canyon Country Campus.

- Festivities included lunch, a pumpkin pie eating contest and a pumpkin decorating contest.
- Roughly **200** attendees at the Valencia Campus and **40** at CCC!
- Contest Judges (Valencia Campus) – Dean Carmen Dominguez, and Faculty members Katie Coleman, and David Stears.
- Contest Judges (CCC) – Board member Michele Jenkins and Vice President of Canyon Country Campus Dr. Ryan Theule.

MakerSpace and the Sustainable Development Committee held the 3rd annual **Eco-Zombie Robot Challenge** on Thursday, November 1st.

- This free competition, using Lego robot kits, brought together diverse groups of students to build a scavenger bird robot to compete on an eco-themed challenge course.
- This year's event included **5 multi-disciplinary teams** with 10 students ranging in major from Biology to Architecture.
- Teams are judged on the functionality of their remote-controlled robot, as well as the aesthetics of the robot's costume.
- **Judges included** –Marina Hwang (Sustainability Center), and faculty members Kathy Flynn (Chemistry), Teresa Ciardi (Astronomy/Physics) and Consuelo Beecher (Chemistry).

ECO-ZOMBIE ROBOT CHALLENGE

GARDEN WALK AT THE CANYON COUNTRY CAMPUS

A *Garden Walk* was held at the Canyon Country Campus on Saturday, November 3rd.

- Participants started their day with a stroll/hike through the Canyon Country Campus where they learned about the plant and wild life.
- Participants had an opportunity to seed an area with wildflower seeds.
- Another successful community event at the Canyon Country Campus!

ART GALLERY OPENS TWO EXHIBITS

The implications of migration and immigration are explored and expressed through the COC Art Gallery's two new exhibits, on display through November 29th.

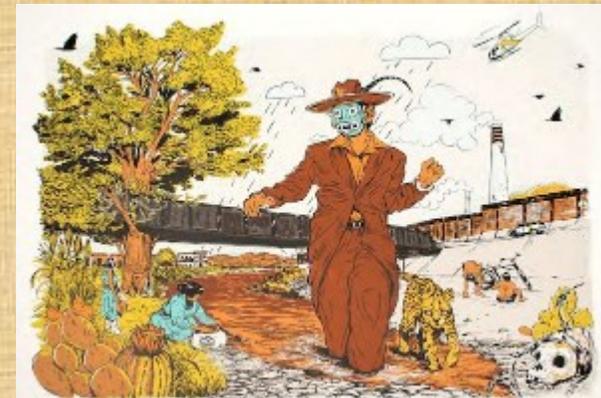

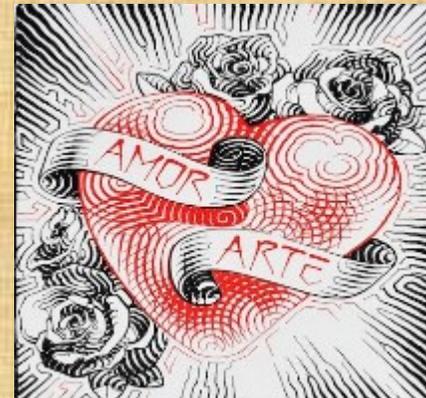

Pavel Acevedo's "Inland Empire"

- Explores the political and personal effects of migration, immigration, borders and the duality many immigrants contend with after leaving their homeland for a new nation.
- His exhibition is the first ever one-person exhibition featuring the art of a contemporary Latinx visual artist at COC.

"Chicanx/Latinx: Serigraph Prints from Self Help Graphic and Art"

- Surveys contemporary Chicanx and Latinx artists engaged with the tradition of social and political printed art.
- Founded in East LA in 1970 and responsible for the largest collection of Chicano/Latino fine art prints in history, this organization has been at the heart of innovative and experimental printmaking by Chicano/Latinx artists for nearly 50 years.
- This exhibition features **16** different artists.

COC HOSTS TSWY INTERNATIONAL FILM FESTIVAL

The **COC American Sign Language (ASL) Department**, in association with KMB Entertainment, hosted the **TSWY (The Strength Within You) International Film Festival** on Saturday, November 3rd with **100** attendees.

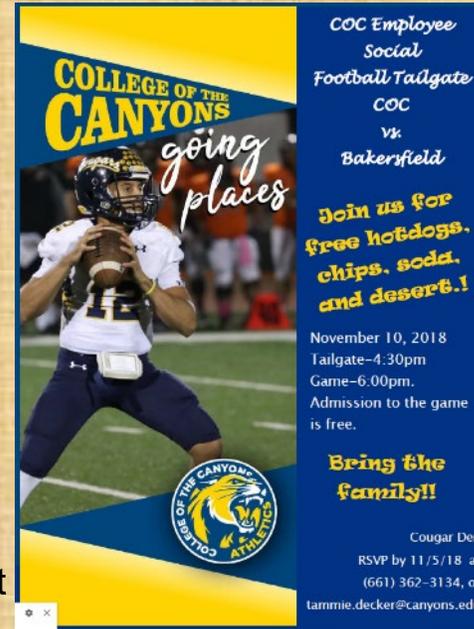

- The festival provides a venue for filmmakers to show their work and highlights how collaboration between deaf and hearing crew and cast can bring respect and education to new filmmakers from all over the world.
- The festival opened with **“A Conversation with the Filmmakers”** followed by two 90-minute showcase screenings of shorts and feature films.
- The event was video-hosted by actor/director/ASL performer **Tyrone Oraguzie**.
- The ASL Department and Club provided sign language interpretation and access to and from ASL signers at the event.
- ASL and Interpreting students from COC had an opportunity to network with the Deaf and Hearing talent and producers from the films!
- **What an opportunity for our students!**
