The Class of 2021 Celebrates!

Graduates from the class of 2021 returned to campus last week to celebrate commencement at Grad Walk.

- Held **Wednesday** through **Saturday** in the **Honor Grove**, COC's traditional graduation site, the event gave each student the opportunity to:
 - Have each of their names announced;
 - To be professionally photographed with friends and family; and
 - To cross the graduation stage while cheering faculty and staff recognized their accomplishments.
- **579** Graduates participated in this Grad event.
- It was a one-of-a-kind experience and well-deserved celebration for a class that overcame the unprecedented challenges of the pandemic.

Workforce Training Update

**HIRE
ME**

COC Celebrates Apprenticeship:

The **Strong Workforce Apprenticeship Group** completed **29** apprentices who will be receiving their *State Apprenticeship Certifications* as Material Coordinators and Machine Operators.

- Apprentices who completed the program have received increases of up to 40% in their base salary.
- COC has received an endorsement from the *Defense Acquisition University* to launch its **Cyber Security Apprenticeship** for DoD companies.
- COC completed its *Department of Labor* sub-award with Los Rios College, by providing **32** apprentices in areas such as manufacturing and cyber security.

COC is Equipping Essential Workers

The Employee Training Institute (ETI) has received approval for 16 programs through I-Train (WIOA) to equip workers for essential industries. This positions the college to respond to the Governor's budget that includes \$42 million dollars in spending to put people back to work.

Course topics include:

- Customer Service,
- Low Observable Technician (Northrop),
- Lean Sigma, Micro Soldering, and
- Project Management.

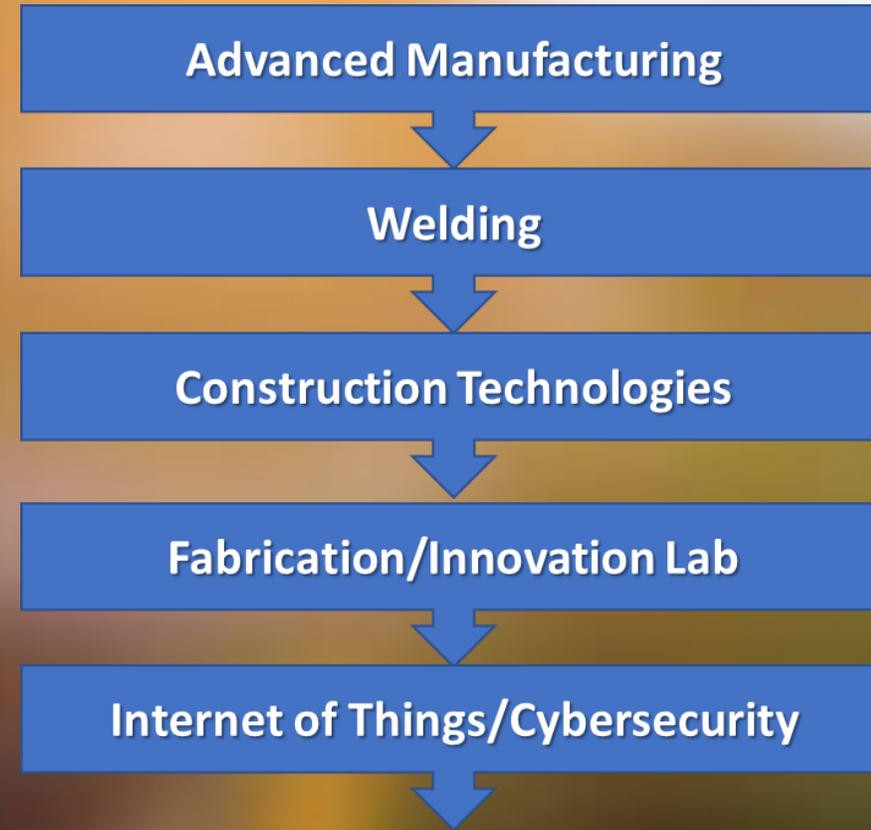

College of the Canyons Advanced Technology Center Responding to Industry 5.0

The rapid growth in industrial automation and advanced technology, with its focus on “Industry 5.0”, has created the urgent need for skilled technicians in advanced technology sectors.

- Industry has clearly communicated that *“The need in this region is for employees with skills higher than those of a basic operator but less than an engineer.”*
- ATC funding, if approved, will be used to set-up the advanced manufacturing lab at Avenue Penn which will house all of our advanced manufacturing offerings for both Instruction and Workforce Development.
- The ATC will train students to become the technicians needed for the future of work.

Have Something to Share?

COC's tradition of serving the older adult community is still going strong after more than 15 years.

- Speakers are needed for the fall semester to present a lecture, discuss a hobby or demonstrate a talent or skill at "*Afternoons with the Professors.*"
- Held at **Friendly Valley** on Fridays and **Belcaro** on Wednesdays, the lecture series welcomes faculty, staff and student presenters.
- Contact Patty Robinson at patty.Robinson@canyons.edu for details.

Remembering Julie Visner

A special celebration of life will be held for Julie Visner and her husband, Jim, on **Sunday, June 27, 2021** at **Blomgren Ranch**.

Julie was a special person and a part of the COC family for more than 35 years before retiring in 2017. As mentioned in my earlier email to the college, she passed away on May 16, 2021, after battling multiple myeloma cancer for nearly 12 years (earlier email attached for your reference). She was preceded in death by her husband Jim who passed away on September 29, 2020.

- Attire is requested to be a **Hawaiian or Western theme shirt** at the wishes of Jim and Julie. Food and drinks will be provided.
- The celebration of life will begin at **4:30 p.m.**
- Blomgren Ranch is located at 15142 Sierra Highway, Santa Clarita, CA 91390.

Julie and her daughter Alissa when Alissa graduated from COC.

Remembering Dr. Bruce Pelkey

Bruce Pelkey's family is planning a celebration of his life on **June 13th** in **Ventura**, and they asked that the details be shared with the campus. If you plan to attend, please RSVP as requested below.

Thank you!

Thank you to all of Student Services and every person at this college for their work over the course of this year to help our students.

This has been a very new way of working over this last academic year and I just thank you all for your dedication, care, and expertise you have provided for our students.
