

Minutes from 2/9 Meeting

- 1) Thank you to Gina for presenting on Canyons Cares behalf. It was said that the presentation was well received. The Chancellor did ask if it was for those who were not Classified staff and it was confirmed that it is open to other staff.
- 2) Thanks to everyone who was able to help navigate students to classes during the first week. Based on feedback, it went well and staff always do enjoy it. One thing that was shared for Valencia was to not have the TLC table on Wednesday and Thursday, since most students are acclimated to the campuses at that point.
- 3) The current budget is \$3,497.07, so this money does need to be spent prior to the end of the fiscal year including the ASG grant money. Please let me know if you think of any ideas of what we should spend the remaining money on.
- 4) Projects:
 - Money Talks-Part 2
 - Lisette is in talks with SchoolsFirst Credit Union to see what date works best for them. The dates that are currently being looked at are April 10-14 or April 20.
 - Need to see if Mentry 343 is available. Will reach out to Angelica Franco to see if this is possible. This is a hyflex classroom, so it can be conducive for the hybrid format.

- Gina can possibly moderate the discussion online during the event depending if she is working remotely that day.
- The group discussed how Subway may be the best option since they don't charge for delivery and give a decent price for a boxed lunch. It may be better to order less since last time 70 boxed lunches were ordered, so 50 may be a better option this time.
- It may be helpful to reach out to the chair of the Business Department to see if they are interested in providing extra credit to students.
- Andrea needs 1 week in advance to provide release time to staff.
