

Minutes from 9/22 Meeting

1) Student Panelists

- Evelyn Burko and Ryan Velanzuela will be joining us for our October Quarterly Meeting.

2) Quarterly Meeting

- It will take place on October 27 from 3-4pm, so please be thinking of what the format should be, whether it should be splitting everyone into breakout rooms with specific questions or depending on the amount of people, allow it to be an open forum in the main room. Will invite classified staff.

3) Yarely updated the Canyons Care logo to include the group's tagline as well as the college's name. Will show at the next meeting.

4) Joanna will be meeting with Jasmine next week to discuss the future of Canyons Cares as well as future funding to sustain further projects the group decides to undertake.

3) Projects

- Financial Literacy Event in partnership with Classified Senate
 - Name: Money Talks was decided as the title of the event.
 - When: Wednesday, October 12 from 11am-1pm
 - The group decided Canyons Hall in Room 201 would be the best location. ICUE unfortunately said no due to the fact that the students would be in Finals during that time. Joanna will submit the Facility Request and possibly make sure to change the layout of the room. There is a projector to stream the event for those that can't make it in-person. Hilary brought up how

Collin, who has mentioned that he has experienced homelessness that he can speak about his financial journey.

- Purpose: With inflation at an all time high, it is more important than ever for our campus community to be educated on money management topics including budgeting, savings accounts, investments, and other information on debt/loans/etc..
- Key audience-both students and classified staff. The group felt one session would work best. 50 participants maximum.
- Logix confirmed the speakers, Melissa Curtis and Jake Raymond.
- Food: Joanna will be ordering lunch boxes from Subway since the ASG grant funding allows for the purchase of food.
- With the help of Lisette, Andrea confirmed release time for Classified staff members.
- Scantrons and Polos-The order was completed by the Bookstore, so now the Office of Campus Life Office at CCC will have scantrons for students to use if they are in an emergency where they have an exam and don't have a card/cash to pay for one. The Valencia Campus Life Office and the ASG Computer Lab will have scantrons available for students in need as well.
- T-Shirts-Unfortunately, due to the District's policy, CC will no longer be able to purchase any additional t-shirts. It is considered a personal use of funds. In regards to the polos, those are allowed to be purchased under the condition that employees will return them if they no longer work at the college.

4) Upcoming Events:

- i) ASG will be hosting a Fall Fest-Tuesday, October 25 from 1pm-4pm-Honor Grove at Valencia Campus.
- ii) Some ideas were to have pumpkin seeds distributed at the table, pumpkin carving or have a pumpkin for students to drop in a piece of paper with any barriers they have experienced while attending COC written down. The group thinks it was a good

idea to have the digital wheel again since students really enjoy it.

10) Next Meeting-Thursday, October 20 from 3-4pm
