

### Minutes from 9/8 Meeting

#### 1) Student Panelists

- The student named Harneet Kaur who reached out after Welcome Day did not respond after the invitation email, so working on recruiting students for the 9/22 and 10/27 meetings where students are typically invited to provide feedback about their COC experience.

#### 2) Cougar Fest

- Thanks to those of you who helped and participated at Cougar Fest. There was a good turnout at both campuses, especially at the Valencia Campus. It was actually a bit overwhelming at times, but in a good way! There were over 20 students that expressed interest in attending Canyons Cares meetings to provide student input.
- 18 gift cards were distributed to students, which totaled to about \$900.00 that was awarded to participating students. Hilary did a wonderful job in getting to know students such as their major and interests. It was great! Lisette and Cyndi thank you for helping out as always! So appreciated.

3) CC has hosted a quarterly meeting in the past where staff are invited to see what Canyons Cares is, go into breakout rooms to discuss certain facets of the campus experience, student barriers, and potential project ideas. The group decided it should be October 20 from 3-4pm. An invite will be sent out to all classified staff, so individuals can have it on their calendar if it is something they are willing to attend and give a good gauge on the amount of people to expect.

4) Active Shooter Training-Justin mentioned that Robert Sadeh, the Director of Campus Safety, is planning on having a Classified staff active shooter

training soon, so it would make more sense to wait and encourage staff to sign-up for that.

### 3) Projects

- Financial Literacy Event in partnership with Classified Senate
  - Name: Show Me the Money!
  - Wednesday, October 12 from 11am-1pm in 2nd floor of Canyons Hall or Student Center 128/129. The location is still tentative. Andrea brought up ICUE as a potential location that CC can use for this event. Will be reaching out to Cindy to see if this is possible. The PAC was brought up as well, but there were concerns about the cost as well as the fact it would warrant more participants for how much it is for rent.
  - Purpose: With inflation at an all time high, it is more important than ever for our campus community to be educated on money management topics including budgeting, savings accounts, investments, and other information on debt/loans/etc..
  - Key audience-both students and classified staff. The group felt one session would work best.
  - Logix confirmed the speakers, Melissa Curtis and Jake Raymond.
  - Yarely suggested to have RSVPs, so there can be a maximum of participants and it will be easier to know how much food to purchase for lunch. Some options were Subway, Corner Bakery, Cali Bakery and Costco.
