NEW COURSE PROPOSALS – DISCUSSION OF NEED

The following new course proposals will be discussed at this meeting with the authors of the proposals to determine the need of adding the course to our curriculum.
The course outlines will not be reviewed at this meeting.

Subject & Number	Title	Rationale for New Course Proposal	Author	Effective
NC.BCSK-001 NC.BCSK-002	College Research Skills Internet Research Strategies	College Research Skills - Students have become accustomed to information dense environments, but deciphering appropriate and accurate information for educational and professional purposes is a challenge for many. College Research Skills will provide students with the opportunity to equip themselves with vital research skills, enabling academic success. This course will teach research skills essential to identifying, locating, evaluating, and referencing library resources useful for research projects and papers. Internet Research Strategies - With vast amounts of information available, Internet Research Strategies will help students develop inquiry and critical thinking skills to find, evaluate, and ethically use information found on the internet for a variety of personal, academic, and professional needs.	S. Breshears E. Barnthouse P. Hepburn	TBD

-Motion to adopt the need for and conduct a full review of NC.BCSK-001 & 002; Motion by Christina Chung, second by Yasser Issa. All in favor: Unanimous
