	animation cels; MENH-309/315/317/319 MEA lab facility Mac Pro computers - replace update (overdue for		
	replacement);		
	Update needed to improve efficiency in scheduling/utilization of existing MEA Instructional labs (MENH-329,		
Media / Entertainment / Arts (MEA)	MENH-207) with respect to course scheduling, as well as supporting open lab access	SUCCESS	No
	19)Create technology replacement plan for all MEA instructional technologies: For all spaces including Computer		
	Labs, Recording studios, mix theaters, and portable media production/lab checkout equipment		
Media / Entertainment / Arts (MEA)	"toolboxes" (Filmmaking, ENG, Audio/Digital Audio Workstation, Animation, etc.)	SUCCESS	No
	20)Circular Coordinators for Program management. According to COCFA contract each department is allowed to		
	request funding for the Circular Coordinator position to assist in data collection. In Progress (requested funding		
	for 2022-2023)		
Media / Entertainment / Arts (MEA)		SUCCESS	No
	12)Animation Lab modernization (MENH-207): Need division of MENH-205 into front/back sections; restore		
	moveable barrier for access to both areas; increase storage space by acquiring adjacent storage room, including		
	Animation Lab Software needs to be adopted as institutionalized instructional software (in use in Animation lab		
	over 10 years, ongoing costs TBD):		
	a)ToonBoom Harmony and ToonBoom Storyboard Pro		
	b)Autodesk Maya c)Pixologic ZBrush		
	d)Adobe CC (Including Illustrator, Photoshop, Animate, After Effects, Premiere Pro, Media Encoder)		
	e)Dragonframe		
	f)Unity (free/open license, via the Unity Grant Education License		
Media / Entertainment / Arts (MEA)	formly (need open needs), via the only orant Education Election	SUCCESS	No
The state of the s	13)Facilities IT infrastructure upgrade: IT needs to evaluate existing internet infrastructure on campus, and	3333233	
	specifically Mentry and Pico Canyon Halls, for adequate switch and networking among the various recording		
	(NDI capable, 10-GigE connections), in support of data and digital audio/video routing for MEA and Music labs		
	and classroom facilities; hire consultant and possible upgrade to IT hardware (TBD); Set up server room and		
	facilities for expansion path to maximize audio I/O routing and expand to PAC and other spaces on campus; plan		
	for future infrastructure to be adequate enough to support NAS and ISIS server (part of ALP ACSR cert for ISIS		
Media / Entertainment / Arts (MEA)	and PRO TOOLS).	SUCCESS	No
	14)MEA Open Lab space: MEA is in need for more individualized edit suites (MEA currently has two (2) rooms);		
	design revised footprint of current MEA facilities to determine number and function of these additional edit		
Media / Entertainment / Arts (MEA)	bays.	SUCCESS	No

Program/Department	Objective Desc.	Strategic Goal	Additional Accomplishment?
	10)Computer Lab access and software support: Develop improved process to manage software licensing and		
	hardware systems for currency (updates, initial installation/configuration): Currently, IT/CSS installs software		
	once per year (in August); The rest of the year, most if not all software titles are updated; MEA Instructional Lab		
	tech should be assigned to maintain licensing, and to support ongoing service updates and security patches, and		
	required security and technical software updates during the school year (maintain compatibility among lab,		
	checkout, and student-owned computer systems). We also have specific software (Inception, prompter software	;	
Media / Entertainment / Arts (MEA)	Audio: Pro Tools and plug-in updates).	SUCCESS	No
	3)Cooperative Curriculum development with Hart district faculty in CE areas of Digital Media, Music, Theatre,		
Media / Entertainment / Arts (MEA)	etc.	SUCCESS	No
	Provide faculty stipends for mentorship and coordination for MEA programs Work Based Learning projects,		
Media / Entertainment / Arts (MEA)	as part of Career Education WBL initiatives.	SUCCESS	No
	22) Animation Software in MENH-209 MEA Animation Lab: Toon Boom Storyboard/Toon Boom Pro software ha	5	
	been in use for instructional programs (MEA Animation Production AA degree courses) for over 10 years;		
Media / Entertainment / Arts (MEA)	originally grant-funded, this software needs to be transitioned to college's institutionalized software.	SUCCESS	No
Modern Languages	Identify strategies and potential barriers in Italian and German 101 courses to increase success.	SUCCESS	No
Modern Languages	Examine and collect data for interpretive/receptive skills (SLO1) and culture (SLO2) for all courses.	SUCCESS	No
	Coordinate module configuration for all first-year accelerated online courses (5 and 8 week) to ensure it meets		
Modern Languages	the standards established.	SUCCESS	No

Program/Department	Objective Desc.	Strategic Goal	Additional Accomplishment?
University Center	Host a ceremony celebrating the graduates of the University Center programs.	SUCCESS	No
	Secure funding for four Short-term Employees: Student Veterans Research & Developer, and Student Veteran Financial Aid Advisor. These		
	specialized positions are vital for adapting or enhancing student veterans 48217; services to increase access,		
	engagement, and success.		
	The Short-term Veterans Research & Description of the Short-term Research & Description of the S		
	and reports to the Director of Veteran Resource Center. HERF funding is scheduled to end in May 2022.		
	Additional funding is necessary to complete the student veteran research project for FY 21/22. It is imperative that we better understand the impact of the pandemic, social justice issues, and other barriers		
	impacting student veterans that caused a decline in enrollment. This position is vital to the success of future		
	operations. This position leads an in-depth research project that will inform the planning process for		
	modifications needed to achieve the department goals and secure additional grant funding. The Veteran		
	Research Analyst is responsible for researching and analyzing information on various topics related to the		
	veteran and student veteran population, searching for grant opportunities, writing evaluation reports, and		
	related components of grants documents.		
	The Student Veteran Engagement Social Media is currently a HERF-funded position. HERF funding is scheduled to)	
	end in May 2022. It is essential to secure funding to continue student engagement efforts. We hope to ensure		
	the success of the college 's goals in garnering a healthy student population following the recent dip in		
	registration due to the pandemic. This position will be reporting to and under the supervision of the Director		
	Veteran Resource Center. Duties will include creating, designing, and revising graphics and digital media for		
	online applications (including website, email, and social media assets) and print materials for promotional,		
	marketing, and informational purposes. Performs other duties as assigned.		
	The Veteran Job Developer is currently a HERF-funded position and reports to the Director of Job Development.		
Veterans Services	HERF funding is scheduled to end in May 2022. Additional funding will be required for FY 21/22.	SUCCESS	No
	Maintain the requirements defined in the School Certifying Official Handbook (On-Line)		
	This handbook is intended to be the official source of information for educational institutions and VA School		
	Certifying Officials (SCO). VA recommends one (1) SCO full-time employee (FTE) for every 200 GI Bill students		
	and dependents enrolled in the educational institution. This number should be adjusted as appropriate by the		
	educational institution when the SCO's duties are expanded beyond certifying GI Bill		
Veterans Services	beneficiaries' enrollments.	SUCCESS	No
	Maintain the standards outlined by Executive Order 13607 Principles of Excellence.		
	Executive Order 13607 was signed by President Barack Obama on April 27, 2012, to ensure Educational		
	Institutions Serving Service Members, Veterans, spouses, and other family members are provided with the		
	information, support, and protections they deserve while using Veterans educational benefits programs.		
	Principles of Excellence are established for Educational Institutions Serving Service Members, Veterans, Spouses,		
	and Other Family Members. Schools should adhere to the "Principles of Excellence" to provide		
	high-quality student support and service. Compliance with the principles is assessed during compliance surveys		
	at participating schools.		
Veterans Services		SUCCESS	No

Program/Department	Objective Desc.	Strategic Goal	Additional Accomplishment?
	Satisfy the requirements of Section 1018 of Public Law 116-315, Johnny Isakson and David P. Roe, M.D. Veteran	S	
	Health Care and Benefits Improvement Act of 2020 adds new requirements for educational institutions		
	participating in the Department of Veterans Affairs (VA) educational assistance programs.		
	These new provisions became effective June 15, 2021, and applied to Institutions of Higher Learning and Non-		
	College Degree institutions beginning August 1, 2021. Many of the requirements are consistent with the		
	standards in the Principles of Excellence, currently in Executive Order 13607. However, there are requirements		
	in addition to those embodied in the Principles of Excellence which schools must satisfy to maintain approval for		
Veterans Services	GI Bill® participation.	SUCCESS	No
	Maintain the requirements outlined in the California Community College Chancellor's Office Veterans		
	Resource center Minimum Standards. (see CCC VRC Minimum Standards)		
	The California Community College Chancellor 's Office Veterans Resource center Minimum Standards		
	describes the structure, services, and staffing standards.		
Veterans Services		SUCCESS	No
	Publish Quarterly and Annual Reports (3-year cycle)		
	Publish quarterly and annual reports that provide timely information about our veteran student population to		
	evaluate the progress and implement the appropriate changes to achieve the goals listed in the AUOs section.		
	The quarterly reports consist of a brief narrative and illustrations of current trends, progress achieved during the		
	quarter, and comparisons with the previous cycle quarter. The annual reports provide an in-depth analysis,		
	assessment, and recommendations for each AUOs, and a comparison with the previous cycle.		
Veterans Services	County identify and analysis are supported as the state of the state o	SUCCESS	No
	Search, identify, and apply for grants to enhance student veterans' services (October 2021 - October 2022).		
	We are actively working with the College of the Canyons Grant Department to identify and explore opportunities	5	
	for grants to expand services.		
	We are currently exploring two grants; the Veterans Upward Bound and the American Rescue Plan Good Jobs		
	Challenge.		
	Veterans Upward Bound is designed to motivate and assist veterans in developing academic and other requisite		
	skills necessary for acceptance and success in a program of postsecondary education. The program provides		
	assessment and enhancement of essential skills through counseling, mentoring, tutoring, and academic		
	instruction in the core subject areas. The program \$\pi\$#8217;s primary goal is to increase the rate at which		
	participants enroll in and complete postsecondary education programs.		
	EDA's American Rescue Plan Good Jobs Challenge aims to get Americans back to work by building and		
	strengthening systems and partnerships that bring together employers who have hiring needs with other key		
Veterans Services	entities to train workers with in-demand skills that lead to good-paying jobs.	SUCCESS	No
	Make every effort to stop the decline in Student Veteran Enrollment.		
	During the last cycle 2020/21, enrollment decreased by 17% compared to AY 2019/20. We strive to stop the		
	decline and increase enrollment by 5% per year by strategically reorganizing the department and applying for		
	additional grant funding to add new services tailored to our student population. The overall goal is to attract		
Veterans Services	new students and increase persistence, retention, and completion.	SUCCESS	No

Program/Department	Objective Desc.	Strategic Goal	Additional Accomplishment?
	Conduct extensive Student Veterans Research (October 2021 - October 2022). The research aims to assess the		
	program effectiveness, the veteran student learning outcomes, and identify significant gaps and patterns that		
	prevent student veterans and dependents from succeeding. Findings will be summarized in reports, used to		
	support grant activity and the next program review cycle. (See VRC4YComparison_V4)		
	The data and information will be used to adapt the program to changing regulations, course modality, and meet		
	the specific needs of student veterans. This initiative is expected to lead to high-quality education for veteran		
	students, improved academic achievement, narrowing the achievement gap between high-performing and low-		
Veterans Services	performing students, and greater access and opportunities to post-secondary education.	SUCCESS	No
	Serve on the CCCCO Veterans Services Advisory Committee and as the Region 6 Representative (January-		
	December 2022).		
	The Veterans Services Advisory Committee (VSAC) provides the California Community Colleges		
	Chancellor's Office (Chancellor's Office) advice and support on policy and programs related to		
	veteran services.		
	The Region 6 Representative provides guidance and representation for California Community College		
	Chancellor's Office Region 6 Veterans Resource Center. Hosts a quarterly meeting to provide advice,		
	information, training, and direction.		
Veterans Services		SUCCESS	No
	Establish SLO and PSLO assessments in eLumen for all welding course and programs.		
Welding Technology		SUCCESS	No
