

# College of the Canyons

Not quite sure how fall  
classes will work?  
**WE CAN HELP!**

**Synchronous**  
The class happens live

**vs.**

**Asynchronous**  
Class instruction is completed on your own time

## Distance Learning

*(not 100% online)*

The class will meet via distance learning (using some sort of online software or service) at the same day and time each week. You will not be able to register for two classes that meet at the same time.

## Online

The class will not meet live and you have the flexibility to complete the instruction on your own time.

## Face to Face Instruction

A few lab classes require some in-person instruction. The class schedule says "The lab portion of this class will meet for limited face-to-face instruction on campus". Strict health protocols will be followed for everyone's safety.

## Orientation Letters

Make sure you read the orientation letter for each of your classes, so you know what to expect. (If there isn't a letter/link for your class, please be patient. They are being added as professors finish them.)
