Have you completed your 2024-2025 FASFA?* yes

Please list the high-school and college-level STEM courses that you have completed in the past two years, or are currently enrolled. If there are not enough blanks, please list the most recent courses.

Course Number (i.e. CHEM 151)	Course Name (i.e. Preparatory Chemistry)

Please provide a personal statement that addresses the following questions: (Max 500 words)

- What experiences led you to be interested in pursuing a major in STEM? What are your short-term and long-term academic/professional goals?
- Describe any challenges/barriers (e.g., school/work/life balance, financial need, employment) that you have encountered in pursuing your educational goals?
- What are the most important qualities of a mentor and why? What are some ways that you think you could benefit from an academic mentor?

By applying to the S-STEM Scholars Program, I give my permission for the selection committee to obtain information including transcripts, financial aid qualifications, and other relevant information, in compliance with the Family Education Rights and Privacy Act, to determine eligibility for the program. If needed, the selection committee can contact me to request additional information to determine eligibility.

I certify that I have provide true and correct information.

Applicant Signature

Date

Please email the completed application by **June 15, 2024 at 11:59 pm** to STEMEquityAlliance@canyons.edu, or mail it to:

College of the Canyons
c/o Patricia Foley SEA Scholars Program
26455 Rockwell Canyon Road
Valencia, CA 91355

Scholarship offers will be emailed to successful applicants by July 15, 2024. Finalists will be contacted for a short interview prior to award announcements.

*Successful applicants must have demonstrated unmet need to qualify for a scholarship from the S-STEM Scholars Program. This is typically demonstrated through the Free Application for Federal Student Aid (FASFA).
