On Campus Safety's behalf, we would like to wish all students a fun and safe Summer. Our Campus Safety team would like to suggest the following Summer Tips for our students:

- Stay Hydrated and remember to rest and get out of the heat on hot days.
- Have a safe word amongst you and your friends to let them know when you are not comfortable or safe and would like to leave wherever you are.
- When out at night, frequent well lit areas.
- Be safe and aware when driving. There are more people and types of vehicles out during summer.

The Campus Safety Team hopes you enjoy your Summer and asks you to be watchful and take care of each other. If you see something say something.
